Dear Sir,

I have the honour to invite your administration to the Aeroplane upset prevention and recovery training (UPRT) regional meeting that will take place in our Regional Office, in Lima, Peru, on **29 May 2015**, immediately after the Fatigue risk management system (FRMS) regional meeting, to be held on **27 and 28 May 2015**.

This one-day UPRT meeting has the objective to provide knowledge and guidance on the nature of loss of control in-flight, its precursors and contributing factors and the way to manage it. New standards and recommended practices on upset prevention and recovery training (UPRT) for aeroplane pilots will be addressed as a way to improve safety.

States are encouraged to facilitate the participation of their delegates in both meetings, in a way to optimise the use of time and resources.

I would much appreciate you can share the invitation to these meetings with the air services operators representatives of your State. Please find attached the respective registration form, which I will be grateful to forward to this Office completed with the information corresponding to your delegate/s not later than **27 March 2015**.
