LN 3/24.1-SA5593
LT 2/6B.68

Lima, 7 August 2015

To: Mr. Philippe Guivarch, Regional Director of Civil Aviation, West Indies and French Guiana
Ms. Chaitrani Heeralall, Director General, Civil Aviation Authority (ag), Guyana
Mr. Falisie Jozef Pinas, Minister of Transport, Communication and Tourism, Suriname

Subject: **RLA/06/901 – Fourth Workshop on PBN Airspace Design in the SAM Region**
(Lima, Peru, 07 to 11 September 2015)

Action
required: Take note and nominate participants by **24 August 2015**

Sir/Madame,

I have the honour to refer to my letter LN3/24.1-SA5460 dated 17 June 2015 (copy attached for easy reference) informing about the Fourth Workshop on PBN Airspace Design, which conduction was subject to the development by States of the activities adopted by Conclusion SAM/IG/15-2 “*PBN Implementation in South American TMAs*”, until 3 August 2015.

Having complied with the deadline for the submission of the requested information and considering the outcome of the teleconferences conducted as agreed by SAMIG/15 meeting, I am pleased to confirm the development of the **Fourth Workshop on PBN Airspace Design in the SAM Region**, to be held at this Regional Office from **07 to 11 September 2015**, as foreseen.

In order to continue with the established training strategy, the main objective of PBN/4 workshop will be focused to the presentation of PBN designs and action plans proposed by States with regard to its pre-implementation and the review of previous activities to be developed. Likewise, a preliminary assessment of airspace optimization between Argentina, Brazil and Uruguay will be carried out. Under **Attachment A** you will find the provisional Agenda to be developed during the workshop.

According to the aforesaid, I am pleased to invite your Administration to design experts to participate in this workshop, by submitting, if applicable, the attached registration form (**Attachment B**) duly filled out for each participant, by e-mail (icaosam@icao.int) or by fax (+511 611 8689), no later than **24 August 2015**. I would like to reiterate the importance of the profile and the continued participation of experts in the various events of this nature, in order to ensure the achievement of the expected objectives

Please be aware that the meeting will be conducted in Spanish, with English simultaneous interpretation service **only if confirmation of English speaking participants is received in this Regional Office no later than 24 August 2015.**

It is worth to mention that this event will be possible thanks to the contribution of your State to Regional Project RLA/06/901, taking into account that part of the annual fee sent to the International Civil Aviation Organization (ICAO) has an issue established for this purpose. In such sense, I am pleased to reiterate that Regional Project RLA/06/901 has approved two fellowships for each participating State in this Project to attend this workshop.

Finally, it is also important to highlight that the implementation of Version 03 of the route network depends on a consistent and harmonised implementation in SAM TMAs and that any delay in one or more States could affect the other States, and the Regional PBN implementation Project as a whole. In such sense, I would like to thank again your Administration for all efforts being developed towards the achievement of the established objectives.

Messrs. Roberto Arca (rarca@icao.int), Regional Officer ANS & SFTY and Jorge Fernandez (jfernandezd@icao.int), ATM/SAR consultant of the ICAO South American Regional Office, remain at your disposal for any consultation or advice experts involved in these projects may have.

Accept, Sir, the assurances of my highest consideration.

Franklin Hoyer
Regional Director
ICAO South American Office
Lima

Enclosure

As indicated

cc: Mr. Claude Miquel, Deputy Director of Civil Aviation, West Indies and French Guiana
Mr. Olivier Jouans, Regional Director of ATM services, West Indies and French Guiana
Mrs. Thelma Douglas Pinas, Permanent Secretary, Ministry of Transport, Communication and Tourism, Suriname
Mr. Robby Venlo, acting Director of Civil Aviation Department, Suriname
Mr. Brian De Souza, acting Director, CASAS, Suriname

FOURTH WORKSHOP ON PBN AIRSPACE DESIGN IN THE SAM REGION (PBN/4)

Lima, Peru, 07 to 11 September, 2015

PROVISIONAL AGENDA

Agenda Item 1: Presentation by States of PBN designs and corresponding Action Plans

Under this Agenda Item, participant States will be able to present the Action Plans for the implementation of PBN in terminal areas or selected airspaces. It is expected that participant States present a pre-implementation review, as well as lessons learned during the planning, design and validation process. Likewise, the Meeting will review following activities previous to implementation:

- TMA PBN design validation programme (SMS, IFSET, ground procedures validation).
- Operational model.
- ATCOs training programme.
- Approach, arrival, departure and en-route charts.
- Contingency and back-up procedures.
- Letters of Operational Agreement.
- ATC unit procedures.
- User preparation.

After the presentation by each State, a space to participants for questions, comments and proposals will be opened.

Agenda Item 2: Initial analysis of airspace optimization between Argentina, Brazil and Uruguay

Considering the linking between their airspaces optimization projects, Argentina, Brazil and Uruguay decided to conduct a tripartite meeting from 14 to 18 September 2015 in Montevideo, Uruguay. With regard to the aforesaid, it was agreed that during this workshop, the three States made a preliminary assessment of the designs proposed by the different administrations and identify possible agreements, which would be reviewed in depth during the meeting scheduled in September.
