Lima, 26 May 2016

To: Mr. Philippe Guivarch, Regional Director of Civil Aviation, West Indies and French Guiana
Ms. Chaitrani Heeralall, Director General, Civil Aviation Authority (ag), Guyana
Mr. Andojo Rusland, Minister of Transport, Communication and Tourism, Suriname
Mr. Peter Cerda, Regional VP, The Americas, IATA

Subject: **Invitation to the Workshop for the implementation of Navigation Infrastructure to support PBN and CNS/ATIS precision approach operations in the NAM/CAR/SAM Region** (Lima, Peru, 15 to 17 August 2016)

Action
Required: **Confirm participation by 15 July 2016**

Sir/Madam:

I have the honour to invite your Administration/Organization to participate in the *Workshop for the implementation of Navigation Infrastructure to support PBN and CNS/ATIS precision approach operations in the NAM/CAR/SAM Region* to be held in Lima, Peru from 15 to 17 August 2016.

The workshop objective is to provide technical and operational information to the States, Air Navigation Service Providers (ANSP) and users for the effective implementation of the air navigation infrastructure to support PBN and GNSS precision approach operations.

The workshop is designed to support the implementation of Aviation System Block Upgrade (ASBU) B0 modules mainly: B065/APTA- *Optimization of approach procedures including vertical guidance*, B0-10/FRTO *Improved Operations through Enhanced En-Route Trajectories*, B0-05/CDO: *Improved Flexibility and Efficiency in Descent Profiles* and B0-20/CCO *Improved Flexibility and Efficiency in Departure Profiles - Continuous Climb Operations*.

The workshop will consist of presentations by subject matter experts on navigation infrastructure of the States, industry and ICAO with wide experience in global and regional implementation, standards and documents of ICAO, current status and evolution of navigation infrastructure to support PBN and GNSS precision approach operations. Information on ionospheric and troposphere effects on GNSS system and ground and flight testing considerations will also be presented.

This event is mainly oriented to authorities, planners and specialists in the management of air navigation systems, particularly on navigation systems, specialists in the installation, maintenance or operation of navigation systems, inspectors in flight pilots' navigation systems and maintenance personnel of commercial aviation.

The preliminary agenda is attached under **Attachment A**. The final version of the agenda will be available in the ICAO SAM Office website.

I am therefore pleased to invite your Organization to participate in this event, by sending to this Regional Office the list of your representatives if possible, not later than **15 July 2016**, by filling out the participants registration form (**Attachment B**).

The general information of the event including the venue and hotel recommendations will be published in the ICAO SAM Office website: <http://www.icao.int/SAM/Pages/GeneralInformation.aspx>. Please be aware that the event will be carried out in Spanish with simultaneous interpretation services in English. No documentation is foreseen for distribution during the event; therefore, it is recommended that participants bring a lap-top, or print the related documentation.

Kindly inform whether your Administration/Organization plans to send contributions to the workshop in the form of presentations, no later than **22 July 2016**.

To participate in the workshop, your Administration might consider the following financing alternatives:

- a) Availability of a fellowship under the Regional Project RLA/06/901 for each State participating in this project. The administration concerned must provide round trip tickets;
- b) fellowships under an ICAO Project approved by your country;
- c) own resources of your Administration, if lacking any of the previous alternatives.

For participants who require a fellowship under the Regional Project RLA/06/901, the ICAO Fellowship Nomination Form is included (**Attachment C**), and must be completed and submitted to this Office not later than **15 July 2016**.

It is worth to mention that this event will be possible thanks to the contribution of your State to Regional Project RLA/06/901, taking into account that part of the annual fee sent to the International Civil Aviation Organization (ICAO) has an issue established for this purpose.

Mr. Onofrio Smarrelli, Regional Specialist on Communications, Navigation and Surveillance of the ICAO SAM Office (osmarrelli@icao.int) remains at your disposal for any consultation.

Accept, Sir/Madam, the assurances of my highest consideration.

Franklin Hoyer
Regional Director
ICAO South American Office

GUIDE FOR THE COMPLETION OF ICAO FELLOWSHIP NOMINATION FORM

(This sheet should be detached by the originator prior to submitting the attached Fellowship Nomination Form to the local or regional UNDP Office for transmission to ICAO)

It is in the interests of Governments to ensure that the attached Nomination Form is fully completed for each nominee in *original and two copies*. All Nomination Forms should be submitted to the local UNDP Resident Representative who will then forward three copies to the appropriate ICAO Regional Representative. Nomination Forms should be received at the ICAO Regional Office at least *two months prior* to the starting date of the proposed courses.

PART I – NOMINATION BY GOVERNMENT

Please note the following:

Paragraph 1 should indicate the *main* field of training as specified in SECTION I – LIST OF TRAINING COURSES of the AVIATION TRAINING DIRECTORY OF ICAO.

Paragraph 2 should provide *specific* details as regards Host Countries, Training Institutes and Courses. For example: Air Traffic Control – Aerodrome and Approach Control, Procedural; Aircraft Maintenance – Boeing 737 Air Frame and Powerplant Systems should be shown instead of general phrases such as ATC, Aircraft Maintenance, etc.

Paragraph 4. The objectives of the Fellowship should be stated concisely and accurately.

PART II – NOMINEE'S PERSONAL HISTORY

The technical and/or specialized training data is indispensable in the formulation of the Fellow's programme to indicate what prerequisite/basic or advanced course may have to be added/eliminated to achieve the optimum result. The employment data is also an essential ingredient in the formulation of the programme, as it helps to define the type and level of the requested training.

PART III – LANGUAGE TEST

Unless a Fellow has had his/her academic education, especially High School and/or College, in the language of instruction to be used by the Host Countries proposed for the Fellowship, it is essential that a Language Test be administered at a certified Language School or at the local Embassy/Consulate of the Host Country to ascertain that the Fellow understands, reads, writes and speaks the instructional language sufficiently well to receive instruction in it.

Please see reverse side for additional information

ATTACHMENT C

PART IV-A and PART IV-B – MEDICAL REPORTS

It is essential that a nominee be healthy and free of any sickness which may require further examination and/or treatment during the tenure of the Fellowship. ICAO/UNDP will not pay any medical expenses incurred by a Fellow for sicknesses existing prior to the starting date of his/her Fellowship. Such expenses must be borne by the Fellow and/or his/her Government. A prospective Fellow must be examined by a medical doctor recommended by the local UNDP Office. Flight Crew Members and Air Traffic Controllers should take a thorough medical examination (Part IV-B) as specified in ICAO Annex 1, Chapter 6, paragraph 6.6, if they are pursuing a course leading to the award of a license. All others should take a general physical examination including a chest X-ray (Part IV-A).

**INTERNATIONAL CIVIL AVIATION ORGANIZATION
FELLOWSHIP NOMINATION FORM**

NOTE: Each item must be completed in full and all entries should be typewritten or written in block letters. The completed form should be forwarded in triplicate to ICAO through the Office of the UNDP Resident Representative for the country concerned at least two months prior to the starting date of the proposed programme. The UNDP Resident Representative will in turn forward the completed Form in triplicate to the appropriate ICAO Regional Representative.

PART I – NOMINATION BY GOVERNMENT

The Government of _____ hereby:

1. Nominates: Mr./Mrs./Ms.* _____
(family name) (first name) (middle name)

for an ICAO fellowship in the field of _____
(Please identify main Field of Training in accordance with the Aviation Training Directory of ICAO, Section I – List of Training Courses)

2. Requests the following programmes of training under this fellowship:

(List in chronological sequence the various stages of training or study envisaged and identify the level as *ab initio*, advanced, refresher, further specialization, familiarization tour, on-the-job training (OJT), etc. If space is insufficient, please attach additional sheet using the same format.)

Host Country(ies)	Training Institute(s) (firms/organizations)	Specific Courses	Period		Duration (weeks)
			from	to	

Total duration

NOTE: The final fellowship study programme will be prepared by ICAO in consultation with the host countries and/or institutions, as the case may be. It may differ in detail, particularly regarding the duration of training and choice of host countries, from that requested. However, the objectives of the requested training programme will be respected by ICAO whenever possible.
