During the Fifth Meeting of the ICAO/LACAC NAM/CAR and SAM Aviation Security and Facilitation Regional Group (AVSEC/FAL/RG/5), held at the ICAO South American Regional Office, in June 2015, in Lima, Peru, the need to develop procedures for the implementation of the One Stop Security (OSS) system for the NAM/CAR and SAM regions was considered. Following this consideration, a working group was formed by Brazil, Trinidad & Tobago, as well as Panamá as the project coordinator State.

In the Sixth Meeting of the ICAO/LACAC NAM/CAR and SAM Aviation Security and Facilitation Regional Group (AVSEC/FAL/RG/6), held in Mexico City, Mexico, from 6 to 10 June 2016, the need to hold a meeting of the OSS working group was discussed, intending to analyse with the AVSEC decision making experts of the States of the region the development of the One Stop Security (OSS) strategy in the States interested in the implementation of this Project, **facilitating** passengers transit and maintaining aviation security levels in the CAR/NAM and SAM regions, strengthening States interconnectivity.

This meeting's objective is to continue the development of this Project and to analyse the actions taken by this working group, as well as to elaborate the timetable for its implementation in accordance with the States' real needs.. The meeting programme as well as the general information will be sent as soon as possible.
