Dear Sir/Madam,

I have the honour to invite your administration to participate in the Sixth State Safety Programme (SSP) Implementation Meeting, to be held in Lima, Peru, from 8 to 12 May 2017.

Considering that the main objective of the SSP is to ensure that States have implemented the minimum required regulatory framework, and to ensure harmonization amongst the States' regulatory and administrative organizations in their respective safety risk management roles, this Meeting is addressed to officers in your State having the responsibility of the operation and management of the SSP, namely, Safety Directors, Aircrafts Investigation Authorities, National Continuous Monitoring Coordinators (NCMCs) and SSP Coordinators. Therefore, please note the importance of appointing the appropriate delegation from your State to this meeting, ensuring to include the officers having the above mentioned responsibilities within your administration.

During the meeting, the working groups, conformed within the framework of the SAM Region SSP implementation pilot project, will present the progress achieved up to the date of the meeting. Also, the individual progress of each State regarding their compliance with the phases of SSP and the 91 SSP/SMS PQs implementation will be reviewed. In this regard, each State will be required to make a presentation of their achievements.
