South American Regional Office

Twenty Fourth Workshop/Meeting of the SAM Implementation

Group SAM (SAM/IG/24) – Regional Project RLA/06/901

(Lima, Perú, 4 to 8 November 2019)

SAM/IG/24-WP/2.3

28/10/2019

Agenda Item 2: Optimization of the SAM airspace

GESEA GROUP ACTIVITIES

(Presented by the Secretariat)

NOTE

The South American airspace study and implementation group – GESEA will develop its fourth working meeting, as part of SAM/IG/24.

Advances will be presented to the SAM/IG/24 Meeting on matters addressed by the group and task force. Coordination and task planning activities will be carried out for the implementation of improvements in the South American airspace.

The Rapporteur will use presentations (PowerPoint) in the working sessions, which will be available on the meeting's website.
