Sir/Madam:

I have the honour to address you to invite your Administration to participate in the Workshop on the Universal Safety Oversight Audit Program (USOAP) continuous monitoring approach (CMA) in the AIG area, to be held in this ICAO Regional Office, in Lima, Peru, from 17 to 19 September 2019.

This workshop, to be held in Spanish, has been included in the AIG work programme for 2019 and is part of the strategy of the AIG area discussed in teleconference of 13 June 2019. Air accident investigators will be trained to carry out advisory missions on USOAP-CMA to the States of the ICAO South American Region.

Although this training is mainly aimed at the AIG experts selected by this Regional Office, the participation of other experts is desired, especially from States that expect to undergo an audit or ICVM in the next 5 years. Though no simultaneous interpretation will be available, English speaking States participants can be supported by instructors or other participants to follow the workshop and benefit from it.

We are enclosing the corresponding registration form, which needs to be completed with the delegates data and sent to us as soon as possible, and ***not later than 11 August 2019***.
