

CAPSCA Regional meetings

April 2020

- Aviation & public health collaboration
- Involves many other sectors
- Global, regional, national and local levels
- Implementation of aviation SARPs and international health regulations
- Sharing of best practices on website and during annual meetings
- COVID-19 dedicated area on web site
- New web site

CAPSCA Survey

- 78 responses received (40%)
- Analysis of information
- Template under development
- To be updated on the website on a real-time basis
- Support needed from States

Survey of health restrictions during the COVID-19 PANDEMIC

OBJECTIVE OF THIS SURVEY

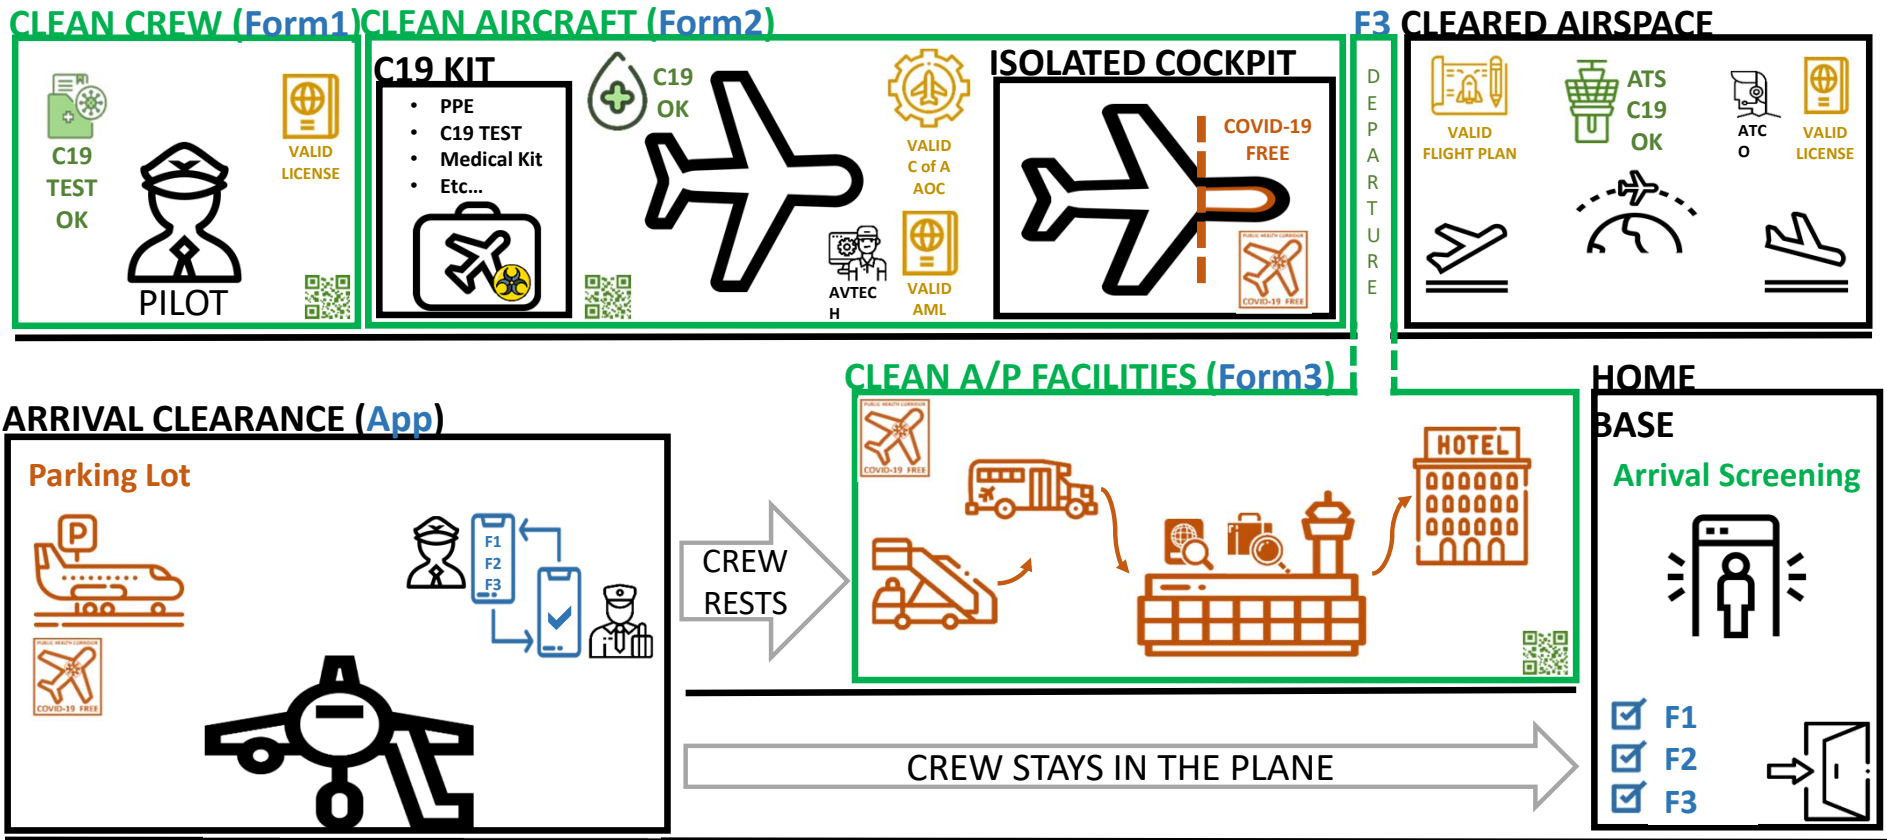

Under the framework of CAPSCA and in order to facilitate the air operations of relief and cargo flights during the COVID-19 pandemic, ICAO is requesting Member States and International Organisations to provide information about the restrictions and procedures in place for relief and cargo flights. The responses to this survey will be used in developing guidance material to ensure the minimum disruption to operations due to the implementation of health measures during the COVID-19 pandemic.

INSTRUCTIONS FOR COMPLETING THE SURVEY

1. The survey is divided into 6 sections:
 - a. Flight exemptions, pre-authorizations and NOTAMs
 - b. Flight crew disembarking and lay-over considerations and procedures
 - c. Health measures and screening procedures upon arrival
 - d. Health measures and screening procedures upon departure
 - e. Health measures onboard aircraft
 - f. Aircraft disinfection and cargo handling

PUBLIC HEALTH CORRIDORS (PHC) CONCEPT

OPERATIONAL	CREDENTIALS
CLEAN CERTIFICATION	PHC COVID-19 FREE

PUBLIC HEALTH CORRIDORS (PHC) CONCEPT

Operational Aspects

- **License Validity (training/medical)**
 - Pilots
 - ATCOs
 - Technicians
- **Maintenance of the A/C**
 - C of A validity
 - Storage of A/C & Return to Service

Facilitation Aspects

- **Clean Crew (Certified)**
 - Pre-Checks/Tests
 - COVID19 kit
- **Clean A/C (Certified)**
 - Disinfection/Cleaning of the a/c
- **Clean Facilities (Certified)**
 - Dedicated COVID parking lots
 - Dedicated COVID handling procedures
 - Dedicated COVID lanes for border control/security
 - Dedicated COVID accommodation facilities

Guidance material related to COVID-19

Draft dated 26 April 2020

IMPLEMENTING A PUBLIC HEALTH CORRIDOR TO PROTECT CREW AND FACILITATE CARGO OPERATIONS DURING THE COVID-19 PANDEMIC

Presented by the Collaborative Arrangement for the Prevention and Management of Public Health Events in Civil Aviation (CAPSCA)

The current guidance material refers specifically to cargo operations. Further similar guidance addressing humanitarian, repatriation and scheduled passenger flights is under development through CAPSCA and will be consistent with this approach. Such guidance will allow States to implement processes consistently and in accordance with the International Health Regulations (IHR) and ICAO Standards and Recommended Practices (SARPs) relating to airports, on-board procedures, facilitation, and air traffic management and navigation.

CREW COVID-19 STATUS CARD

Information required for State health officials to be confident that crew members have taken reasonable precautions to ensure they are COVID-19 virus free.

1. Have you been in contact* with a person with probable or confirmed COVID-19 during the 2 days before or 14 days after that person had the onset of symptoms?

***WHO definition of contact**

1. Face-to-face contact within 1 meter and for more than 15 minutes;
2. Direct physical contact with a probable or confirmed case;
3. Direct care for a patient with probable or confirmed COVID-19 disease without using proper personal protective equipment; or
4. Other situations as indicated by local risk assessments.

Yes No

2. Have you had any of the following symptoms during the past 14 days:

Fever	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Coughing	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Breathing difficulties	Yes <input type="checkbox"/>	No <input type="checkbox"/>

3. *Temperature at duty start: Date: _____ Time: _____

CAPSCA webinars, on-line training and Assistance visits

- Series of webinars to be presented by ICAO
 - CAPSCA
 - Public Health Corridor Concept
 - Management of COVID-19 – aircrew, airports, etc.
- CAPSCA On-line training
 - ICAO/ JAATO sponsored 42 positions
 - Good feedback from participants
 - Submitted funding proposal to support additional trainees
- WHO on-line training
- In preparation for CAPSCA Assistance Visits once restrictions are being lifted

CAPSCA Symposium

Tuesday, 19 October 2021 to Thursday, 21 October 2021
