Dear Sir/Madam:

I am pleased to inform you that the Latin American and Caribbean Association of Airport Pavements (ALACPA) is organizing the Virtual Seminar: **ALACPA Technical Forum of Airport Pavements**, which will be carried out through the virtual platform ZOOM from 8 to 10 November 2021.

The participants will have the opportunity to learn new construction and maintenance techniques, new design methodology and the latest developments in equipment and materials. The Seminar will feature international experts who will share their experience and knowledge. This is a key event for airport infrastructure managers, engineers, technicians, consultants, and all of those who provide services related to the aviation industry.

This event is aimed to the personnel in charge of the design, evaluation, and maintenance of airport pavements of civil aviation authorities and aerodrome operators, as well as regional representatives of international organizations, professors (academic), consultants, contractors, among others related to the theme of the event.

The main objective of this event is to exchange technical experience and knowledge of all participants giving the possibility of improving airport pavements and thus contribute to maintain the safety of airports in the Region.

The technical sessions will be provided by speakers with a vast experience on airport subject matters. Also, this Seminar will provide the opportunity to delegates to participate in a quick course for airfield pavement maintenance to give continuity of the initiated in last year's event. Languages of the events will be English and Spanish with simultaneous interpretation. The agenda of the event will be available at the following web address <https://www.alacpa.org>.

As part of ALACPA's collaborative agreement with GREPECAS, the civil aviation authorities of the NAM/CAR and SAM Regions are exempt from paying the annual registration/membership fee for their participation in the seminar /forum. I would be very grateful to inform the participants to the event of the obligation to complete their registration in the following link:
