A large commercial airplane is parked on a tarmac during sunset. The sun is low on the horizon, creating a warm, golden glow. Ground crew members in high-visibility vests are visible near the aircraft. Various ground support equipment, including a mobile staircases and other service vehicles, are positioned around the plane. The sky is filled with soft, colorful clouds.

Seminario Virtual sobre *Ground Handling* para la Región SAM (21SAMGH)

Ground Handling Webinar for the SAM Region (21SAMGH)

Iniciaremos en unos minutos. ¡Gracias!
