

International Civil Aviation Organization
South American Regional Office

Fifth Virtual Meeting of Directors General of Civil Aviation of the South American (SAM) Region on the Response to COVID-19
(Zoom, August 11, 2021)

DRAFT AGENDA

Agenda Item 1: Preparation of the SAM region for HLCC 2021

Under this Agenda Item, the Directors' Meeting will receive information in preparation for the next High-Level Global Conference on COVID-19 (HLCC2021), as well as issues related to global developments in response to COVID-19.

Agenda Item 2: Innovation in aspects of Operational Safety, Capacity and Efficiency in the provision of services and navigation infrastructure in the framework of recovery

Under this agenda item, the States will share their experiences regarding the challenges and opportunities identified under the areas of Operational Safety, Capacity and Efficiency of Air Navigation with a view to strengthening the harmonized recovery of the Region.

Agenda Item 3: Innovation in Aviation Facilitation and Security aspects in the recovery framework

Under this agenda item, the States will share their experiences regarding the challenges and opportunities identified under the areas of Facilitation and Aviation Security with a view to strengthening the harmonized recovery of the Region.

Agenda Item 4: Institutional strength to accompany innovation processes in aeronautical regulators in the post-COVID era

Under this agenda item, the Secretariat will present the progress of a project in conjunction with the OECD (*Organization for Economic Cooperation and Development*), likewise the States and Industry may discuss the search for efficiencies to accompany an expected restrictive financial environment both for Civil Aviation Authorities and providers of air navigation services and industry.

Agenda Item 5: Other business

Under this agenda item, other aspects of interest to the Member States will be discussed.
