Force

Next Activities

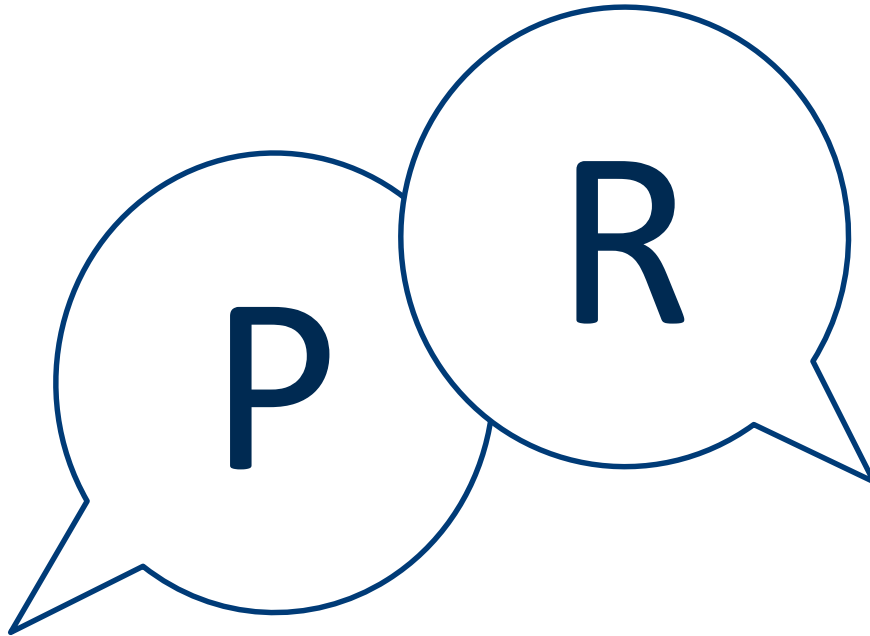

1. Project through MCAAP* that seeks to update the air navigation plans of 10 States during 2022 with the latest version of GANP.
2. Align these air navigation plans with the objectives of e-ANP III.
3. Incorporate the necessary KPIs and their evaluation methodology.
4. Develop the process of continuous evaluation and improvement of each NANP.
5. Cover the other CAR States during 2023.
