Subject: **First Meeting on Cybersecurity in Air Navigation Services**
(On line, 31 August to 2 September, 2022)

Required
action: Register participants by **22 August 2022**

Dear Sir/Madam:

The 39th Session of the International Civil Aviation Organization (ICAO) Assembly reaffirmed the importance and urgency of protecting civil aviation's critical infrastructure systems and data against cyber attacks, and obtaining a global commitment for action by ICAO, its Member States, and industry stakeholders, with a view to collaboratively and systemically addressing cybersecurity in civil aviation and mitigating the associated threats and risks.

Considering the above, we would like to invite your State to participate in the *First Meeting on Cybersecurity in Air Navigation Services*, which will be held –online– from **31 August to 2 September 2022**. The objective of this meeting is to establish a regional strategy to identify and mitigate the threats that may impact the provision of air navigation services, in order to build a more robust and resilient system in support of civil aviation.

This event is aimed at civil aviation authorities in charge of Safety Oversight in Air Navigation Services, Air Navigation Service Providers, ANS Safety Specialists, as well as other professionals related to the subject.

Draft Agenda is at **Appendix** to this letter.

Please register participants at the following link:
