ICAO SOUTH AMERICAN REGIONAL OFFICE

MNEMOTECNIC PAPER

Training on Firewalls Equipment's (Lima, Peru, 22 to 25 November 2022)	
Regional Project RLA/03/901 - REDDIG Management System and Administration of the Satellite Segment	<p>Project RLA/03/901 aims to establish a multinational mechanism for the administration of the South American Digital Network (REDDIG), considering regional developments in this area. Likewise, until said multinational mechanism is established, the project will manage the REDDIG, will conduct implementations of applications in the CNS/ATM field in accordance with the requirements of the CAR/SAM Air Navigation Plan (ANP CAR/SAM), will be in charge of the rental of the satellite segment and will adopt the necessary actions to modernize the network infrastructure in accordance with the operational needs and the available technological advances.</p> <p>In compliance with what was established in the REDDIG Conclusion RCC/22-1 – <i>Acquisition of Firewall Equipment for REDDIG II</i>, the SAM Office will carry out training with the States participating in Project RLA/03/901 to train the personnel of the nodes in the acquired equipment.</p>
ICAO Strategic Objectives	<p>A- Safety; and B- Air Navigation capacity and efficiency</p> <p>ASBU: COMI-B0/2 y COMI-B1/1</p>
Current situation of the SAM Region	<p>Firewall equipment and Switches were acquired for installation in the nodes (SAT + MPLS) of REDDIG II. The material was delivered to the SAM Office, being the next step the training of technical personnel.</p>
Nature of the Event	<p>Training carried out in person, addressed to the technical staff of the States participating in the Regional Technical Cooperation Project RLA/03/901, which have REDDIG II nodes with links to the two network segments (satellite and terrestrial).</p>
Profile of participants	<p>Technical maintenance personnel of the REDDIG II nodes with knowledge of Information and Communications Technology (ICT) employed in the REDDIG II equipment.</p>
Contact staff at the SAM Office	<p>Mr. Francisco Almeida da Silva, CNS Regional Officer (falmeida@icao.int)</p>
