**1. RASG-PA Funding Request Form**

1.1 During the ESC/37 meeting held in Mexico City, on May 25 and 26, 2022, said Committee identified the need for reference criteria for the allocation of RASG-PA resources for the different activities and projects.

1.2 A working group was formed by CANSO and the United States, in order to develop said criteria, so that the Executive Committee has a tool that allows it to consider the main aspects related to said request.

1.3 In the understanding that RASG-PA already has a Policy for the mobilization of its financial resources, and that said policy establishes that: "RASG-PA will allocate financial resources for activities, initiatives and/or projects aligned with the objectives of the group, and aimed at mitigating the safety risks that are identified for the Region." The working group has prepared a form that includes the fundamental elements that need to be analyzed by the ESC when considering its decision.
