

Regional Aviation Safety Group – Pan America (RASG-PA)

61th Meeting – Pan America Regional Aviation Safety Team (PA-RAST/61)

Mexico City – 17, 18 & 19 October 2023

Tentative Agenda

Meeting purpose:

- Determine potential risk mitigation activities to be developed.
- Review the status of the projects and define actions and potential projects based on data.
- Identify opportunities to support CST establishment in the Region

Before the meeting:

- Project champions need to be ready to present the status of the projects.
- HRC Champions need to identify technical publications from CAST/BCAST or other, that we can customize, publish, and translate
- Those who present data, please bring the insights that result from that data for better understanding.

Agenda:

Day 1 – Tuesday, 17 October 2023 (Starts at 09:00)

- Industry Session (*Aeromexico and Viva Aerobus confirmed so far*)
- Discussion of PA-RAST actions based on Industry presentations
- Mexico CAST (M-CAST) Presentation (*AFAC and SENEAM expected*)
- Peru CST Status
- Overall CST status and discussion
- Turbulence – The elephant in the room
- RASG-PA Safety Day

Day 2 – Wednesday, 18 October 2023
