Subject: **Invitation – Workshop on Dissemination of Measures and Protection to Environment in International Civil Aviation**
Armenia, Colombia, 2 to 5 April, 2024

Required
action: Register participants by **4 March 2024**

Dear Sir/Madam,

Further to the ICAO NACC and SAM Regional Offices 2024 Activities Programme, a workshop has been planned for 2024 to disseminate environmental protection measures in international civil aviation.

In this regard, and recognizing national capabilities and developments that support ICAO's environmental strategic objective and global efforts to address the impact of international aviation on the weather, I wish to invite your Administration/Organization to participate in the Workshop on Dissemination of Environmental Measures and Protection in International Civil Aviation to be held in Armenia, Colombia, from **2 to 5 April 2024**.

This Workshop aims at providing information on key aspects for the implementation of environmental policies and environmental management programs by States, applied to the field of aviation, exchanging best practices and relevant and simplified information on:

- Documents and procedures of the Technical Advisory Body (TAB) for the CORSIA eligible Emission Units;
- Criteria for standards and certifications on admissible fuels within the CORSIA framework;
- ICAO Eco-Airport Toolkit and airport environmental management programmes;
- Main results of Third Conference on Aviation and Alternative Fuels (CAAF/3);
- Targets and Long Term Aspirational Goals (LTAGs) update;
- The CO₂ Emissions Reduction Activities State Action Plan and its updates in accordance with Assembly A41st Session resolutions (A41)
- Sustainable Aviation Fuels (SAF), feasibility studies and public-private tables

2

The profile of the participants is of utmost importance, so the assistance of Environmental specialists who perform their functions in Aviation Environmental Management is expected, which includes:

- staff defining environmental policies for aviation within the Civil Aviation Authority;
- airport environmental management staff;
- SAP, CORSIA and LTAG Points of Contact (PoCs);

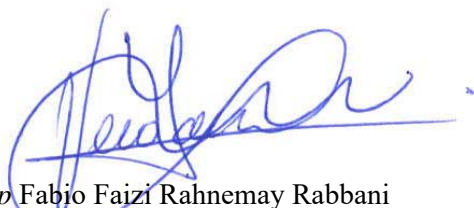

of the States and Territories of the ICAO NAM/CAR/SAM Regions. The working language of the meeting will be Spanish and simultaneous interpretation into English will be provided if sufficient participants of both languages provide timely registration.

The Provisional Programme of the event is at **Appendix A**, and we would appreciate confirmation of your participation by **4 March 2024** by registering at the following link: <https://forms.office.com/r/XXY7vqeAy0>

A list of hotels recommended and general information for event participants is at **Appendix B**. Participants are encouraged to make reservations directly with the hotel(s) in a timely manner.

If you require any further information regarding the event, please contact Mr. Luis Sánchez, Regional Officer, Aeronautical Meteorology and Environment of the ICAO North American, Central American and Caribbean Regional Office (NACC) (nacc-met@icao.int), or Messrs. Jorge Armoa, Regional Officer, ANS Implementation (AIM/MET) (jarmoa@icao.int) and Diego da Silva, Air Transport Expert (ddasilva@icao.int), both from the ICAO South American (SAM) Regional Office.

Accept, Sir/Madam, the assurances of my highest consideration.
