# Restructuring of AIS Documentation

01

## Introduction

## Restructuring of AIS Documentation

01

### Introduccion

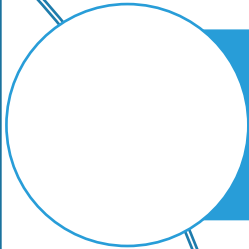

**Stablish a Framework in order to :**

- **Lead the way towards AIM implementation;**
- **Support the implementation of AIM requirements;**
- **Review and improve requirements;**
- **Preparation of guidance material for AIM;**
- **Web-based targeting development;**
- **Identification of specific training needs;**
- **Direct assistance to States for the transition to AIM;**
- **Any other AIM implementation support, as required.**

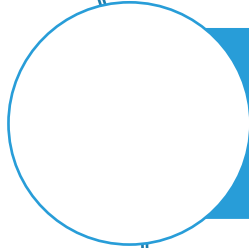

# Anexx 15 – Amendment 42 (40)

02

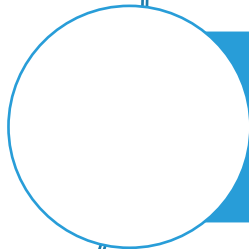

Background

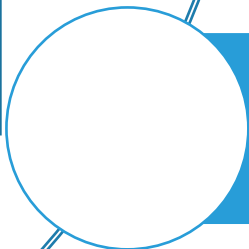

**From traditional AIS to the new AIM environment**

**Focused to the data and the information.**

**Aeronautical information of assured quality**

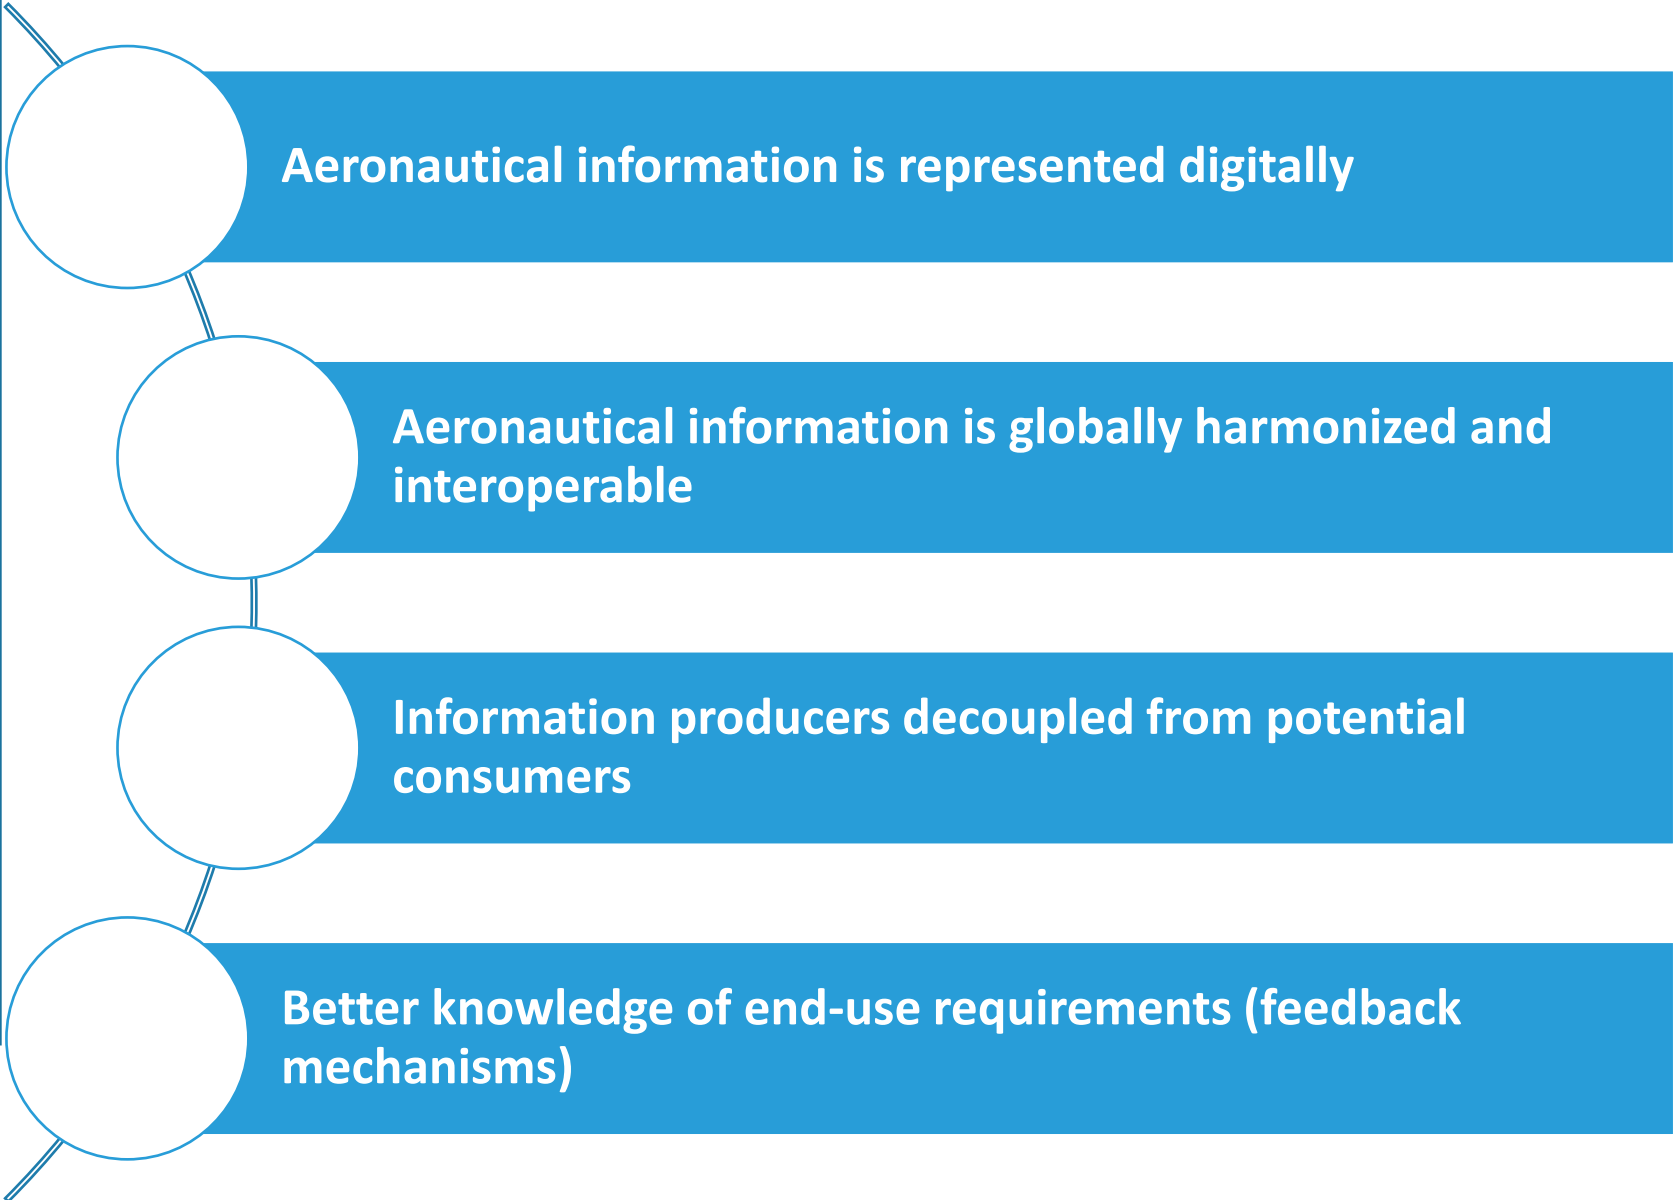

**Authorized sources of aeronautical information**

# Anexx 15 – Amendment 42 (40)

02

Background

**Planned to include expanded and/or new specifications in the future related to:**

02

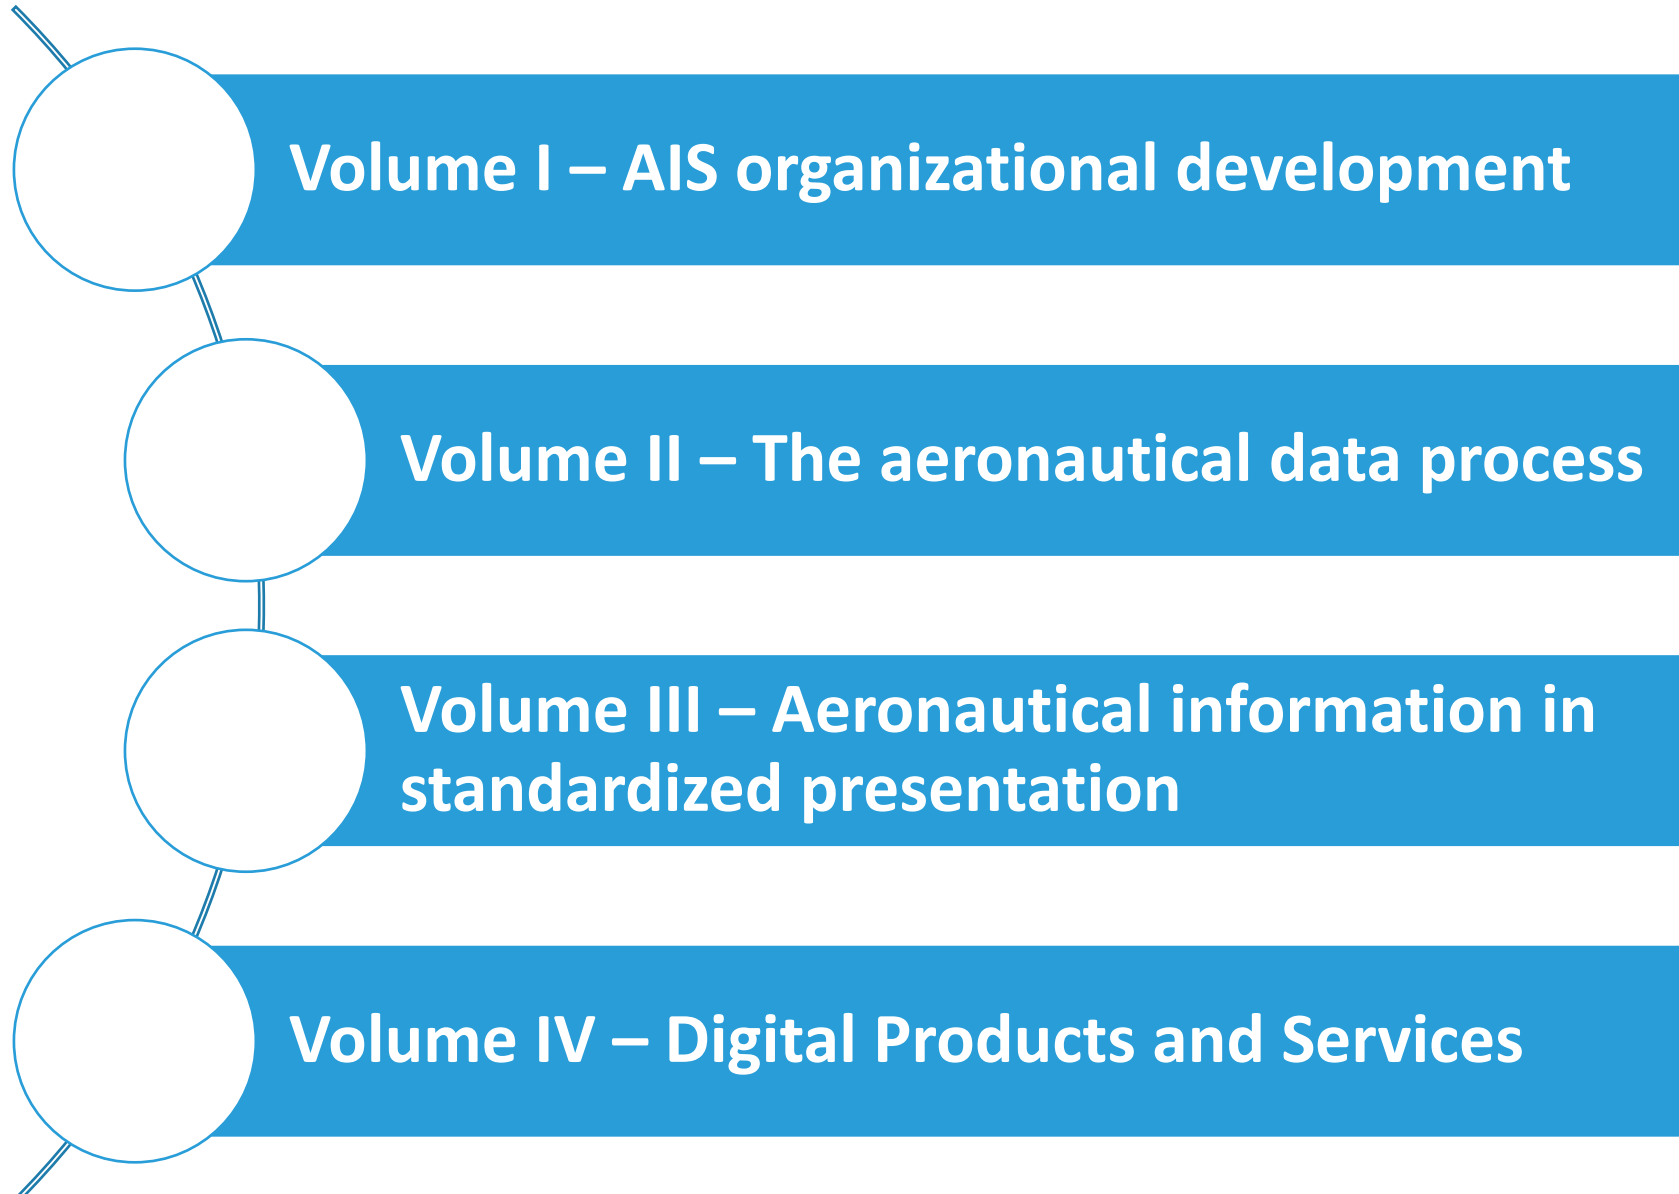

Background

- Quality management practices
- Data management to achieve integrity requirements
- Expanded and/or new specifications for digital data sets
- data exchange procedures
- Any material where it is considered desirable to have a level of standardization but the material is too detailed or not appropriate for inclusion in Annex 15 as SARPs.

**Restructuring of the AIS Manual**

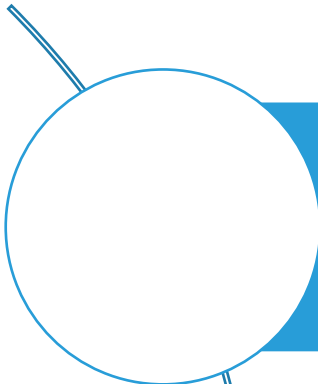

02

Background

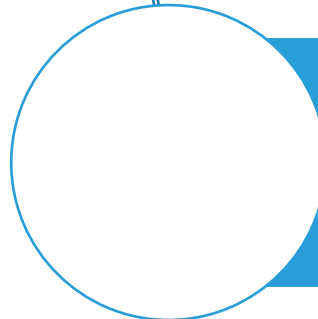

02

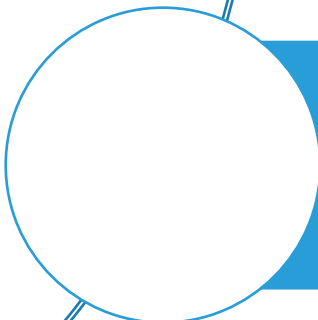

**Background**

**SL Ref.: AN 2/36-23/6, February, 13, 2023**

**Contains the proposal of several amendments to the first edition of the PANS-IM, referring to aeronautical information management, system-wide information management and information security.**

**Applicability date: November 28, 2024**

03

## Workshop Objectives

**Remember the restructuring process of ICAO AIS documentation**

**Disseminate the content of Doc. 8126 – Part I – Organizational development of the AIS; Competency Assessment of AIS Personnel**

**Share good practices of Competency Assessment of AIS personnel, and their relationship with the USOAP Audit**

03

## Workshop Objectives

Disseminate the content, target audience and area of application of the new document Doc. 10199 – PANS-IM

Review the impact of these documents on State Regulation for the provision of AIS services

Disseminate the future development of these documents.
