HUMMINGBIRD

A close-up photograph of the side of a dark blue vintage car. The car's body is highly reflective, showing a clear reflection of a cloudy sky. The driver's side door is open, revealing a red interior with ribbed seats and a steering wheel. The word "HUMMINGBIRD" is painted in large, yellow, stylized, outlined letters along the side of the car, just below the window line. The background shows a light-colored building with windows and a utility pole.
