- Updated list combined from ICAO Headquarters, ICAO NACC and SAM Regional Offices.

1. Introduction

1.1. The original list was compiled by the ICAO Aviation Security Regional Officer who coordinated the task to establish a directory of qualified AVSEC instructors available in the States/Territories in CAR/SAM Regions for use in regional training events. A draft list of AVSEC Instructors was consolidated with ICAO in Montreal and it is updated to the Meeting in the **Appendix** to this Working Paper. The list will be continually revised due to the growing number of AVSEC instructors that will participate in the initiation of the ICAO Instructors Certification Course for 2006.

1.2 Most of the AVSEC Instructors currently involved in the workshops and seminars are not certified by ICAO however, are subject matter experts and instructors in their own States.

1.3 The AVSEC/COMM/4 established a Training Task Force and Trinidad and Tobago volunteered to be Rapporteur. The other members were representatives from Antigua and Barbuda, Brazil, Jamaica and later joined by Mexico, the Eastern Caribbean Civil Aviation Authority and IATA.

1.4 After the Hold Baggage Screening (HBS) Seminar the HBS Task Force compiled a list of HBS Consultants from the private industry which provide specialized screener training and may be added to the list.

1.5 The Coordinated Assistance and Development (CAD) Section is currently recruiting AVSEC Professionals to carry out AVSEC missions to assist States. This directory should be shared with the CAD for their consideration.

2. Analysis

2.1 Due to the circumstances it may be necessary for the Training Task Force to maintain this data base to assist States in need of this information. Therefore, the Meeting is invited to review and approve the following:
