1. Introduction

1.1 During the AGA/AOP/SG/3 Meeting, held in Monterrey, Mexico, the Subgroup formulated Conclusion 3/6, regarding the ICAO Regional Manual on Airport Maintenance, in order to present to GREPECAS/12 Meeting the proposal that ALACPA will carry out with the revision of the English and Spanish versions of the Manual.

1.2 In the GREPECAS/12, was reached the CONCLUSION 12/74 – ICAO REGIONAL MANUAL ON AIRPORT MAINTENANCE, which is transcribed below:

CONCLUSION 12/74 ICAO REGIONAL MANUAL ON AIRPORT MAINTENANCE

That,

- a) ICAO send to ALACPA the ICAO Regional Manual on Airport Maintenance in both, English and Spanish, once the draft version of the English translation is available;
- b) ALACPA review the English version and send its proposed amendments to ICAO within 3 months of receipt of the ICAO translation; and
- c) ICAO prepare the final English version for publication and send to States/Territories within 3 months of receipt of the ALACPA comments.

2. Handled document

2.1 The document named “**ICAO Regional Manual on Airport Maintenance**” will be handled to the AGA/AOP Subgroup, in both versions, so to ICAO in English and Spanish, with an accessible terminology to the Meeting, and with the purpose to fulfill the objectives to become a practical guide for the States organize and carry out the maintenance tasks of infrastructure and installations, in an homogeneous way, in order to reach the purpose to standardize the standards in each State when referring to maintenance matters and aerodromes conservation.

2.2 The Subgroup must handle the document to the President of GREPECAS, and forward it to ICAO Headquarters, for its revision, publication and distribution among the States/Territories members of the Organization.

2.3 ALACPA manifest its better disposal to collaborate in any other task regarding this documents, at GREPECAS or ICAO’s request, if them considered it necessary.

3. Suggested action

3.1 The Meeting is invited to take note, review and comment this working paper.
