Agenda Item 4: Review of the 2008-2009 meeting programme and contribution from States for their holding

Summary

The ACG is invited to review the Meeting Schedule for GREPECAS and its Contributory Bodies for 2008-2009 on the basis of information provided in this Paper and the results of Agenda Item 1.

1. Introduction

1.1 The Administration Coordination Group was established by GREPECAS/9 in an effort to coordinate and harmonize administrative matters of the GREPECAS and its Contributory Bodies including the provision of advice for developing the GREPECAS Mechanism Meeting Schedule. The Meeting Schedule shall be established on the basis of progress on the work of each Contributory Body, their planned work programmes, and other requirements determined by each Contributory Body or by the ACG itself.

1.2 The 36th Session of the ICAO Assembly approved a budget which on real terms is equivalent to 13% less than the budget of the previous triennium; situation affecting the working programme of GREPECAS.

1.3 Likewise, account has to be taken of the important collaboration expressed by the CAR/SAM States during the GREPECAS/13 and GREPECAS/14 Meeting, respectively, to support the ICAO Regional Offices when planning the GREPECAS and Contributory Bodies Meetings.

2. Discussion

2.1 As a result of the limited budget provided for GREPECAS in the last years, and the assumption that the budget for 2008 and 2009 will not increase, and based on the results of the analysis of the Work Programmes presented by each Secretary of the GREPECAS Contributory Bodies, the ACG should determine the GREPECAS Meeting Schedule for 2008 and 2009.

2.2 **Appendix A** presents the Meeting Schedule for 2008, as approved by GREPECAS/14, and **Appendix B** indicates the GREPECAS Meeting Programme for 2009 to be agreed by this Meeting taking into account the imposed budgetary constraints and the support offered by the States that host GREPECAS Meetings.

3. **Suggested Action**

3.1 The Group is requested to review the information presented in Appendix A and B and the results of Agenda Item 1 and agree to an updated GREPECAS Mechanism Meeting Schedule for 2008 and the Meeting Schedule for 2009.
