(Punta Cana, Dominican Republic, 28 March 2011)

**Action
required: Confirm participation**

Sir/Madam,

I have the honour of addressing this letter, with reference to GREPECAS Decision 9/20 that restructured the GREPECAS Mechanism and established the Administration Coordination Group (ACG) and Aviation Safety Board (ASB) as GREPECAS contributory bodies. The Aviation Safety Board is composed by, Chairperson and Secretary of GREPECAS, ICAO NACC and SAM Regional Directors, a representative from the ICAO Headquarters, the Secretaries of the Subgroups, the Chairpersons and/or Vice-Chairpersons of the Subgroups, plus the following observer organizations: ACI, IATA, IBAC, IFALPA and IFATCA.

In this regard, in light of the importance of this meeting for the GREPECAS work programme, your participation would be of great importance and, therefore, I am pleased to invite you to participate in the Tenth Aviation Safety Board Meeting (ASB/10), which will be held in Punta Cana, Dominican Republic, on 28 March 2011 during the afternoon.

The Draft Agenda for the ASB/10 meeting is attached for your comments, which I would request as soon as possible, as well as the registration form for this meeting. I will be forwarding IP/01 containing general information for the Meeting in due course. I would very much appreciate your confirmation to participate at the above-mentioned meeting, as soon as possible. The Meeting will be conducted in English only. For your information, a letter of invitation will be sent to the Director of Civil Aviation of your State.

Thanking you in advance for your kind attention.

Yours sincerely,
