

07 March, 2018

Mr. Fang Liu  
Secretary General of ICAO

**Laser Illumination and Flight Safety**

I am referring to your letter with Ref.: AS8/5-18/17 dated 13 February 2018, regarding the above subject and I would like to inform you that the Department of Civil Aviation of Cyprus addresses and handles the subject of laser attacks against civil aircrafts as a matter of high importance.

We would like to inform you that in an effort to deal with that serious issue, the Department of Civil Aviation of Cyprus, has drafted a law, which has been forwarded to the Law Office of the Republic for legislative review, before this can be forwarded and passed into Law by the House of Representatives of the Republic of Cyprus.

Should you further clarifications please do not hesitate to contact us.
