

LASER ILLUMINATION AND FLIGHT SAFETY

The Department of Civil Aviation Malaysia wish to refer to your letter ref.: AS8/5-18/17 dated 13 February 2018 regarding the above mentioned.

2. Up to date, there is no any laws for laser illumination of aircraft. However, Malaysia is looking into the matter seriously and will take action accordingly to address the issue.

Please accept, Your Excellency, the assurances of my highest consideration.
