Asuncion, 23 May 2018

Ref.: P/DINAC No. 1325/2018; EXP. DINAC No. 56280/2018.

Madam,

I have the pleasure to reply to letter AS8/5-18/17 regarding laser illuminations and flight safety.

In reply to your query concerning laser attacks against civilian aircraft, the Office of the President of the National Directorate of Civil Aviation (DINAC) would like to inform you that efforts are underway to extend the scope of our regulations so as to cover legal considerations and penalties.

Please accept, Madam, the assurance of my highest consideration

Sincerely,
