

SYNOPSIS

Courtesy translation:

On 20.10.2014, at 19:58 UTC¹ (23:58 local time), at night, during takeoff at Moscow (Vnukovo) A/D a Falcon 50EX F-GLSA aircraft operated by Unijet crashed while conducting charter flight LEA704P from Moscow (Vnukovo) to Paris (Le Bourget).

At 19:58, during takeoff from RWY 1, Vnukovo AP, the aircraft collided with a snowplow located at the crossing of RWY 1 and RWY 2 and collapsed. The fire on the destroyed aircraft was extinguished by the airport firefighting service. The crew and passenger were killed in the accident. The snowplow driver was not injured. The snowplow was damaged.

The Air Accident Investigation Commission of the Interstate Aviation Committee was notified on the accident at 22:17 on October 20, 2014.
