# Training Managers Course (TMC)

## Virtual Classroom

The TMC course addresses the operational aspects of managing an aviation training organization that meets the required standards of operation, training delivery, and quality management. It will enable the participants to apply the ICAO training organization assessment guidelines in order to prepare their training organization to meet and maintain operational and quality standards for ICAO recognition.

### ▶ **LEARNING OBJECTIVES**

Upon completion of the course, participants will be able to accomplish the following:

- identify requirements for the establishment of an aviation training organization;
- evaluate the level of compliance of a training organization with ICAO provisions; and
- develop an action plan to ensure compliance of a training organization with relevant international requirements.

### ▶ **TARGET POPULATION**

Those who are responsible for establishing, managing, or operating an aviation training organization, including current and future training:

- directors;
- managers;
- heads of departments; and
- operations managers.

### ▶ **ENTRY REQUIREMENTS**

Current or future management responsibility or decision authority within the training organization.

### ▶ **STRUCTURE OF THE COURSE**

**Duration:** 5 days

**Delivery mode:** Virtual Classroom

**Language of instruction:** English, French and Spanish
