Dear Sir

AUDIT OF MET OFFICE (UK) SADIS COSTS

We have carried out our audit of the UK Met Office statement of costs for the calendar year 2003 in respect of SADIS as set out in Tables 1, 2 and 3 supported by the notes and annexes a to P. Our work has been undertaken so that we might identify and report material non compliances with the SADIS agreement and for no other purpose.

We planned and performed our audit so as to obtain all information and explanations which we consider necessary in order to provide us with sufficient evidence to give reasonable assurance that the statement of costs is free from material misstatement.

Based on the audit work carried out we are satisfied that the costs charged by the UK Met Office under the SADIS agreement are allocated in accordance with the SADIS agreement and its annexes. We can also confirm that we have checked the calculation of the capitation rates and are satisfied that they are appropriate and supported.

I trust that this is sufficient for your needs.

Yours faithfully

Richard Weighell
