

WORKING PAPER

Meeting of the Chairpersons on the Regional Priorities and Targets

(Hong Kong, China, 16-17 January 2014)

Agenda Item 5: Future Work

COURSE OF THE ACTION FOR ENDORSEMENT OF PRIORITIES AND TARGETS

(Presented by the Secretariat)

SUMMARY

This paper proposes course of the action for endorsement of proposed priorities and targets by APANPIRG.

1. INTRODUCTION

1.1 APANPIRG/24 (held in June 2013) developed the following Conclusion.

Conclusion 24/2 — Establishing Regional Priorities and Targets

That, following the PIRG - RASG Global Coordination meeting held in March 2013 APANPIRG/24 invited the Chairpersons of ATM, RASMAG, CNS, and MET sub groups to establish regional priorities and targets for the APAC Region in alignment with the GANP and APAC Seamless ATM Plan by December 2013 in order to facilitate submission to ICAO by May 2014.

1.2 Following APANPIRG Conclusion 24/2, a face-to-face meeting of the Chairpersons for establishing regional priorities and targets was scheduled in Bangkok for 4-5 December 2013. Due to political uncertainty in Bangkok in early December, the meeting was postponed. A rescheduled meeting is held in Hong Kong on 16-17 January 2014.

1.3 At teleconferences with the Chairpersons, it was recommended that proposed regional priorities and targets should be submitted to the South-East Asia ATM Coordination Group (SEACG) meeting and the South Asia/Indian Ocean ATM Coordination Group (SAIOCG) meeting in February 2014 for review.

2. DISCUSSION

2.1 It is proposed that the proposed regional priorities and targets developed by the Chairpersons and reviewed by SEACG and SAIOCG be submitted to ICAO HQ by May 2014 with a note not endorsed by APANPIRG.

2.2 It is also proposed that the draft regional priorities and targets, regional reporting form and ANRFs be presented to the ATM SG, CNS SG, MET SG and AOP WG at their meetings in June/July/August 2014 for review and to the APANPIRG/25 meeting in September 2014 for endorsement. The APANPIRG endorsed version should be submitted to ICAO HQ in September 2014.

3. ACTION BY THE MEETING

3.1 The meeting is invited to discuss course of the action for the regional priorities and targets, and agree to the proposed action in paragraphs 2.1 and 2.2.
