Agenda Item 6: APSAR/TF Task List

APSAR/TF TASK LIST

(Presented by the Secretariat)

SUMMARY

This paper presents the APSAPG Task List and Terms of Reference for review.

1. INTRODUCTION

1.1 The APSAR/TF is required to periodically review the tasks assigned to it or developed within the APSAR/TF itself, as well as the relevancy of tasks within the context of its Terms of Reference (TOR).

2. DISCUSSION

2.1 The APSAR/TF TOR is appended as **Attachment A** to this paper.

2.2 A Task List template is appended as **Attachment B** to this paper to capture new tasks emanating from APSAR/TF/3.

2.3 The Planning and Implementation Regional Groups (PIRGs) and Regional Aviation Safety Groups (RASGs) Global Coordination Meeting (GCM) was held in Montreal on 19 March 2013. The PIRG/RASG GCM urged each PIRG to establish regional priorities and targets and develop action plans for regional priorities and targets by May 2014. While SAR is not a formal regional priority, the APSAR/TF is invited to consider the development of action plans to assist SAR implementation (as opposed to the development of the Asia/Pacific SAR Plan itself) and if necessary, request APANPIRG to amend the APSAR/TF TOR to reflect that task.

3. ACTION BY THE MEETING

3.1 The meeting is invited to review the:

- a) Terms of Reference at **Attachment A**; and
- b) Task List at **Attachment B**.
