**Agenda Item 5: Development of Regional ATFM Framework**

**IATA ATFM PROJECT PHASE TWO**

(Presented by IATA/ICAO)

**SUMMARY**

This paper presents a brief overview of Phase Two of the “IATA ATFM Project” endorsed at ATFM/SG/4 by decision 4/3, which consists of Task One – Compilation of Cross Border ATFM Implementation Plan and Task Two – ATFM /CDM Workshops

**1. INTRODUCTION**

1.1 ATFM/SG/4 agreed to support Phase Two of the “IATA ATFM Project” through Decision 4/3 :

***ATFM/SG Decision 4/3: IATA Asia Pacific Regional Air Traffic Flow Management Project – Phase Two:***

*The Asia Pacific Air Traffic Flow Management Steering Group agrees to support Phase Two of the IATA Regional Air Traffic Flow Management Project that will:*

- *develop a regional cross-border ATFM implementation plan in harmonization with existing cross-border ATFM implementation projects for consideration by the ATFM Steering Group and States at ATFM/SG/5; and*
- *develop in cooperation with ICAO a program to advocate for and educate stakeholder groups on cross border regional ATFM through a series of workshops partially funded by IATA (provision of SMEs) and logistically supported by States (e.g. venue provision).*

1.2 This paper provides ATFM/SG/5 with an update of progress on the project and expected timeline for delivery of outcomes.

**2. DISCUSSION**

Task One: “Cross Border Regional ATFM/CDM Implementation Plan”

- 2.1 Airbus ProSky has been retained as the consultant for Phase Two of the project.
- 2.2 The Cross Border Regional ATFM/CDM implementation plan will build on the high level strategy developed during Phase One and provide a more detailed plan for consideration by the ATFM/SG and States.
- 2.3 It is expected that the Roadmap document will be completed in June 2015

Task Two: “ATFM/CDM Workshops” (in partnership with ICAO)

- 2.4 The workshop program and format is yet to be agreed but initial thinking and dates are as follows.
- 2.5 It is proposed there are 4, two-day workshops (**Table 1**):

DATE	LOCATION
October 2015	State (To be confirmed)
November 2015	State (To be confirmed)
November 26 <sup>th</sup> and 27 <sup>th</sup> 2015	Bangkok (ICAO)
November 30 <sup>th</sup> and December 1st 2015	Bangkok (ICAO)

**Table 1:** Proposed ATFM Workshops

Workshop Focus and Format

- 2.6 The focus of the workshops will be on cross-border Regional ATFM/CDM.
- 2.7 A seminar will be conducted on Day One of each workshop.
- 2.8 The Bangkok workshops’ Day 2 topics will be generic in nature. The State-hosted workshops will include generic ATFM/CDM topics, and one or two topics specifically identified by and specific to the host State.

**3.0 ACTION BY THE MEETING**

- 3.1 The meeting is invited to:
  - a) Note the information contained in this paper; and
  - b) Discuss any relevant matters as appropriate.
