Ref.: T 3/10.8 – AP150/15 (ATM)

30 September 2015

Subject: Asia/Pacific Seamless ATM Plan Update

Action required: To reply by 30 November 2015

Sir/Madam,

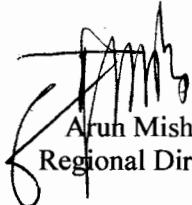

I would like to draw your attention to Asia/Pacific Seamless ATM Plan, which was approved by APANPIRG/24 and published by the ICAO Asia and Pacific Office, Bangkok. The Seamless ATM Plan was developed as part of a suite of Asia/Pacific air navigation plans, and is subject to a three year review cycle in order to maintain its currency.

In this regards, I would like to invite your administration to review the first iteration in this early consultation phase of the Asia/Pacific Seamless ATM Plan update which is due to be submitted to APANPIRG/27 in 2016. The Secretariat has marked up this copy with some changes resulting from discussions at APANPIRG Contributory bodies that might be considered for the update.

Please note that you should not feel obliged to comment on this early draft, as the main purpose at this stage is to encourage the submission of additional material from States for consideration in the Seamless ATM Plan. After the initial consultation, the amended draft will then be circulated by State Letter again in early 2016 and submitted for review by APANPIRG contributing bodies.

This early draft Asia/Pacific Seamless Plan version 1.1 is available at the following webpage: <http://www.icao.int/APAC/Meetings/Pages/2015-ATM-SG3.aspx>. If you have any comment on this draft, including the submission of additional material for consideration, then please respond to Miss Antonina Cieszczyk (email acieszczyk@icao.int) not later than 30 November 2015.

Accept, Sir/Madam, the assurances of my highest consideration.

Arun Mishra
Regional Director
