Subject: Review FIR and SRR Description

Action required: To reply by 01 December 2015

Sir/Madam,

I have the honour to draw your Administration's attention to the outcome of APANPIRG/26.

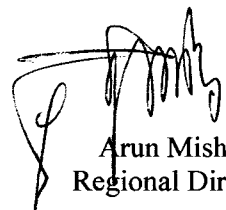

During the meeting, participants were presented with the draft electronic Air Navigation plan (eANP) data that have been transfer from current Regional Air Navigation Plan (Doc9763). The meeting agreed that all data, except for the new coordinate descriptions of the Flight Information Regions (FIRs) and Search and Rescue Regions (SRRs) were endorsed for the eANP. The intention is now to further consult with States/Administration to determine whether the draft FIR/SRR descriptions are correct or not.

In this regards, your administration is invited to review the draft FIR and SRR data is available on the ICAO Asia/Pacific Regional Office website at:

FIR description: <http://www.icao.int/APAC/Meetings/Pages/2015-ATM-SG3.aspx>

SRR description: <http://www.icao.int/APAC/Meetings/Pages/2015-ATM-SG3.aspx>

Please ensure your administration advises the ICAO Regional Office (apac@icao.int) the result of your review accordingly by 01 December 2015.

Arun Mishra
Regional Director
