

Scenario for the next exercise

14-16 Sep. 2015

Volcanic Ash Advisory Centre Tokyo
Japan Meteorological Agency

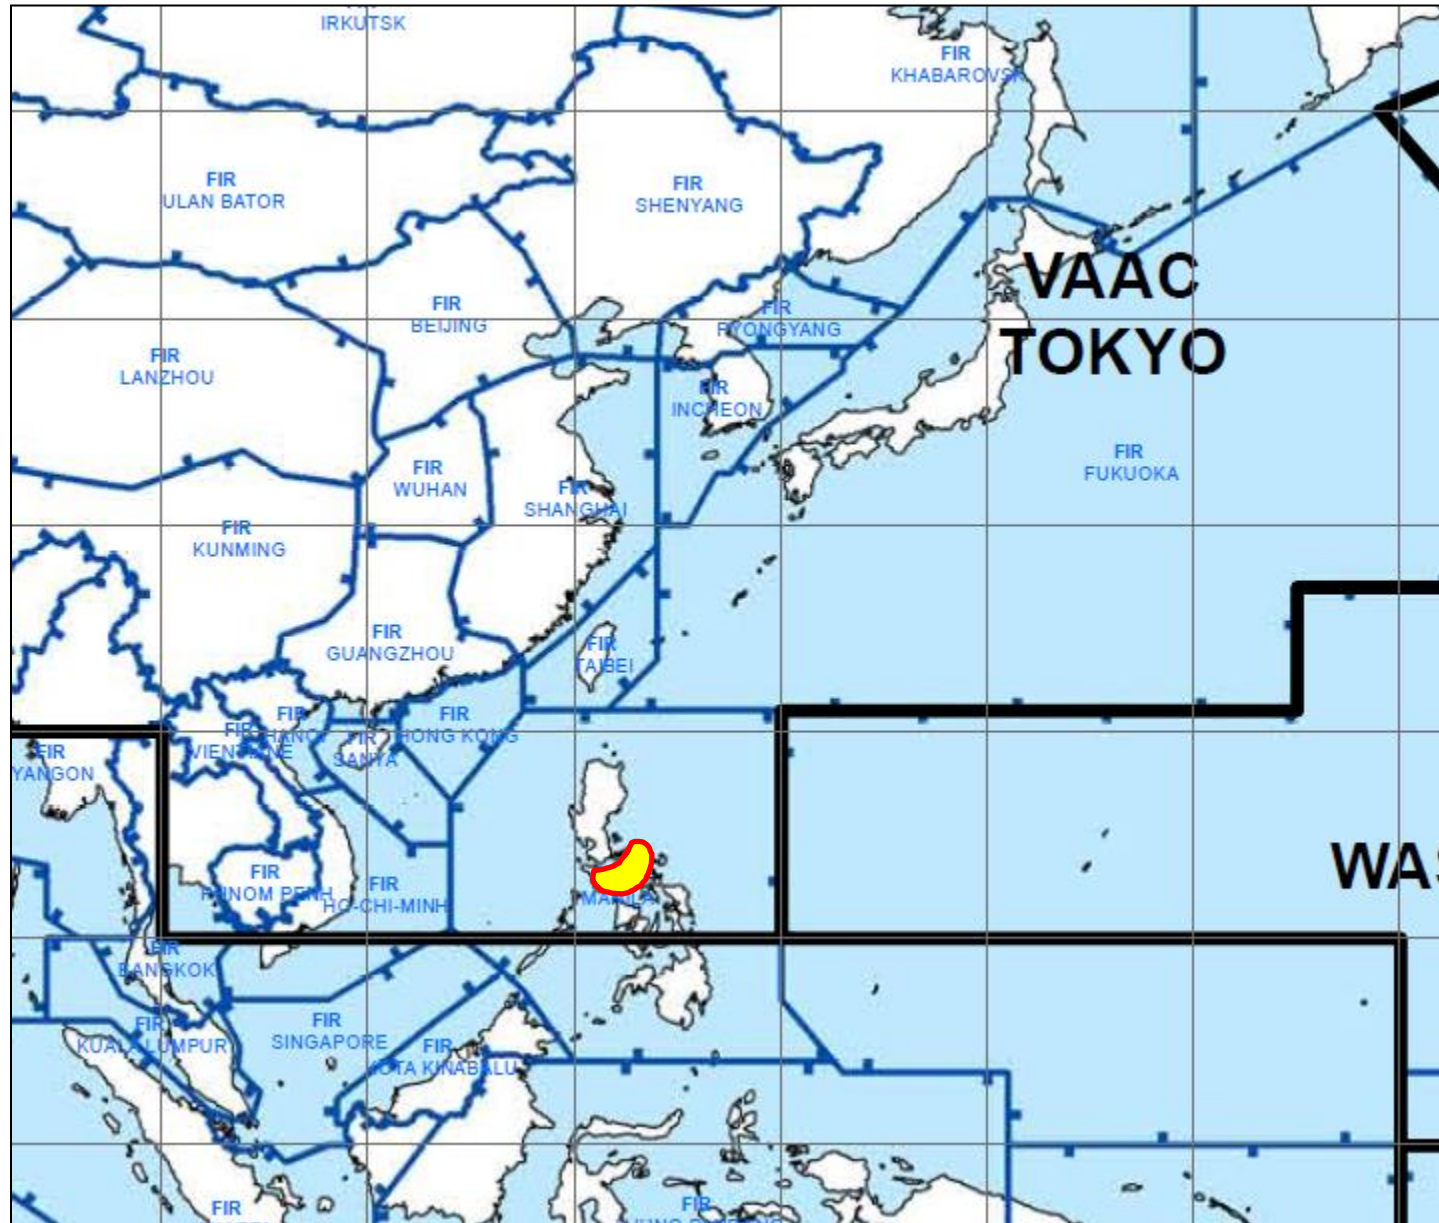

Japan Civil Aviation Bureau

Objectives

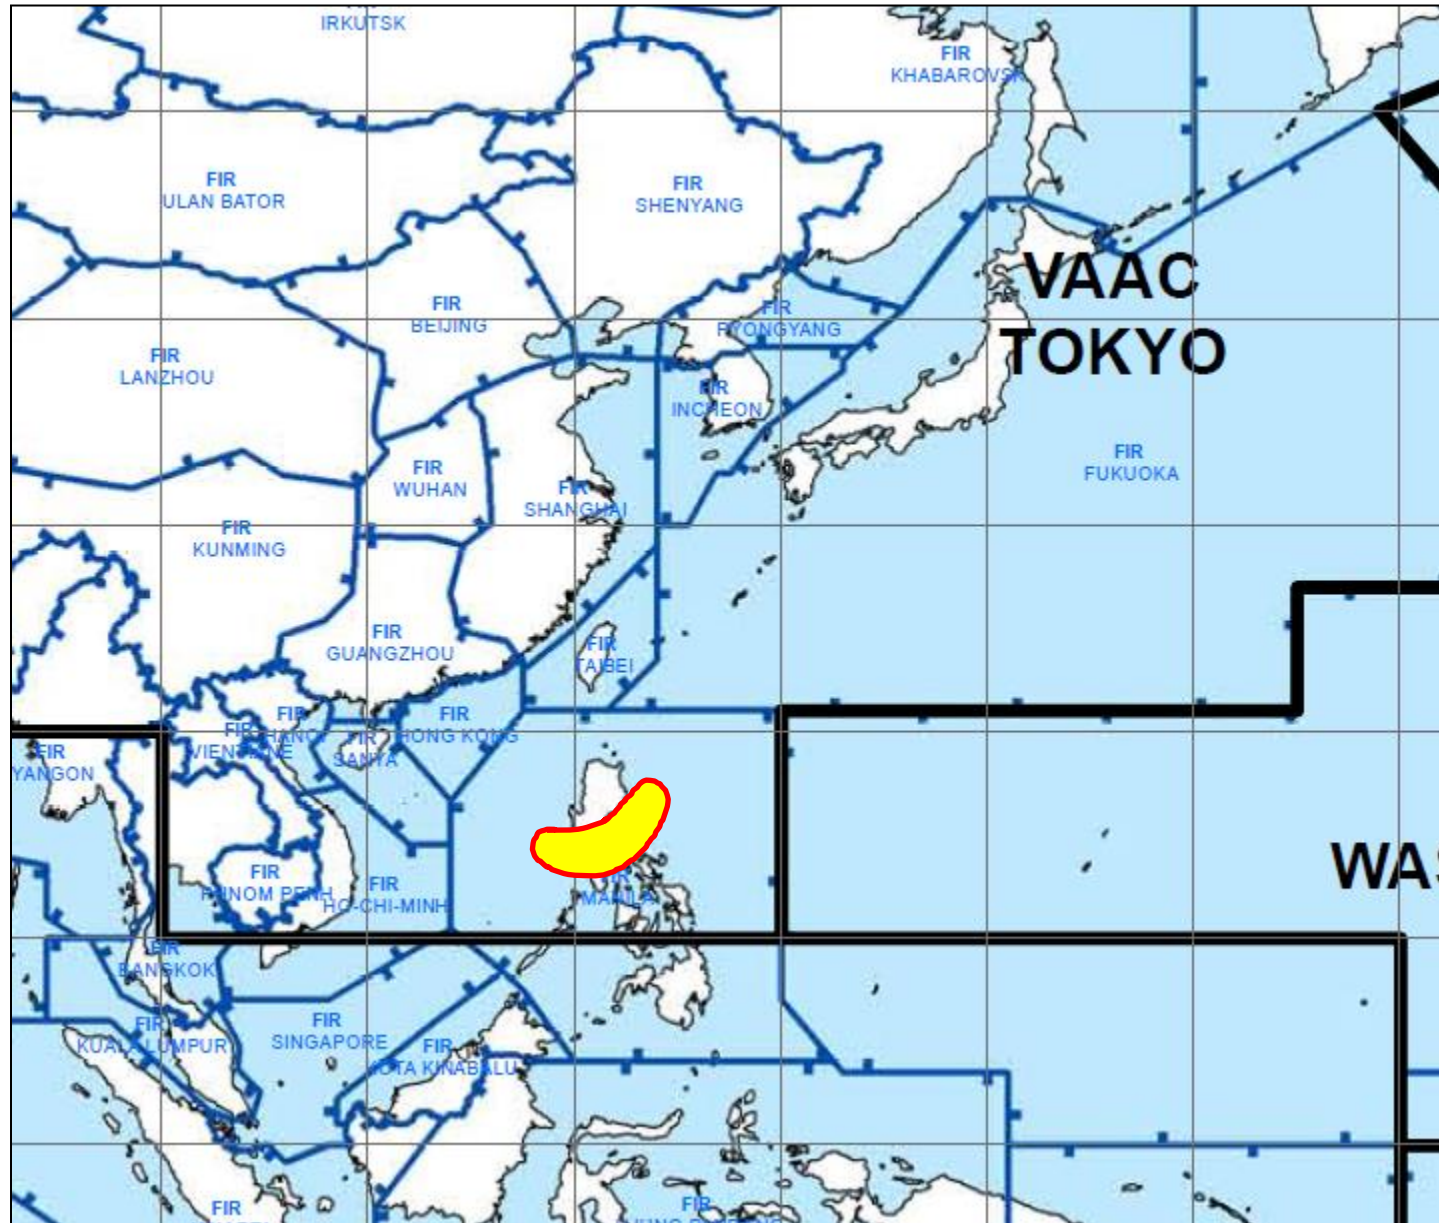

For more countries and agencies to participate:

- volcanic ash cloud migrates into other FIRs such as Manila, Hong Kong and Fukuoka
- each country conducts coordination both internally and internationally for CDM meeting, air traffic management and other necessary items

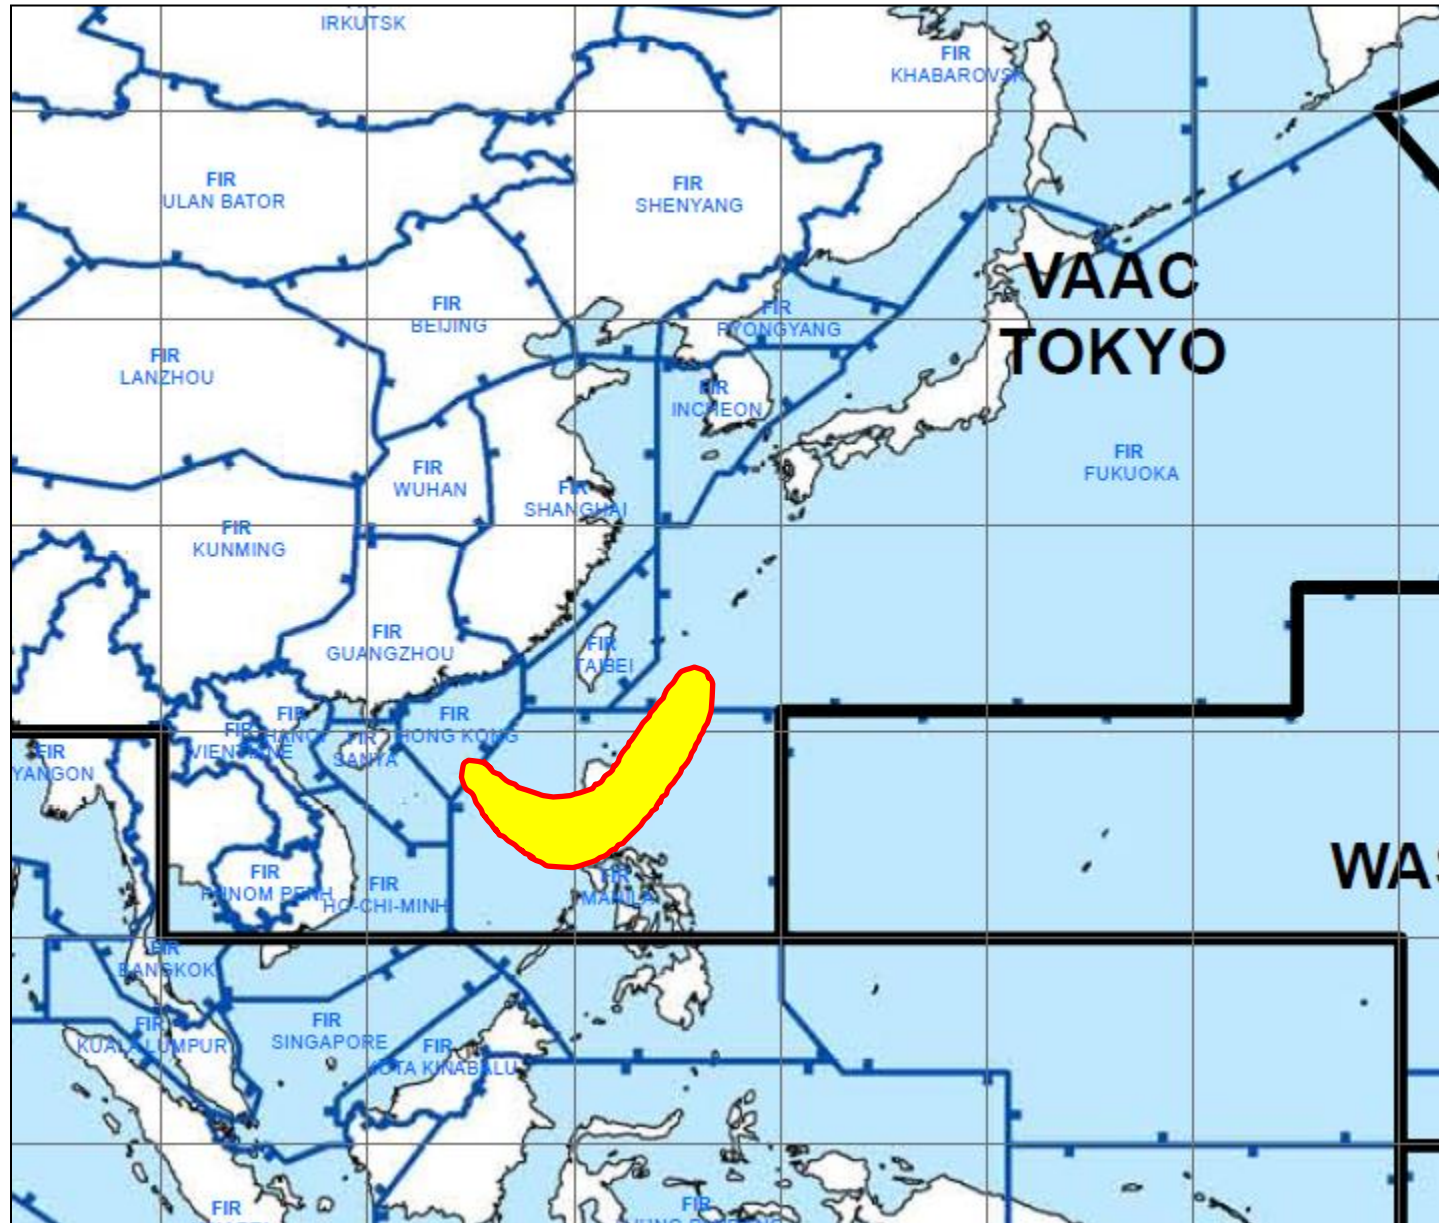

Volcanic ash migrates into Manila, Hong Kong and Fukuoka FIRs

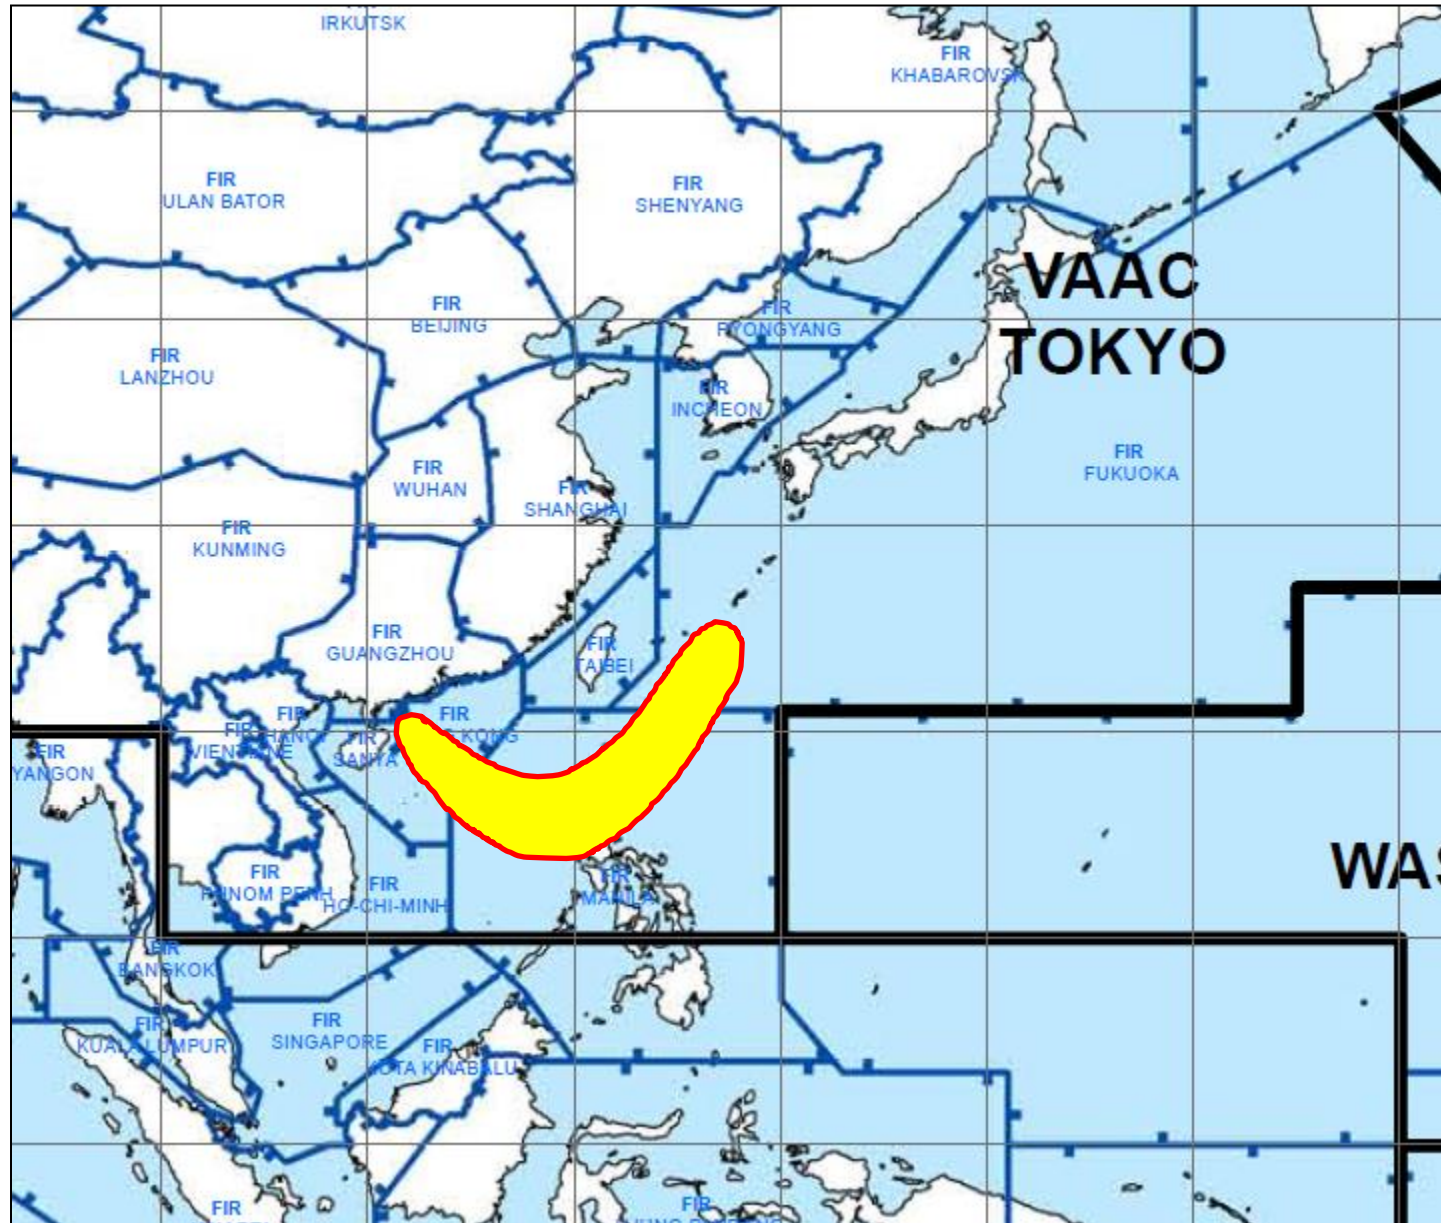

Volcanic ash migrates into Manila, Hong Kong and Fukuoka FIRs

Volcanic ash migrates into Manila, Hong Kong and Fukuoka FIRs

Volcanic ash migrates into Manila, Hong Kong and Fukuoka FIRs

Thank you
