- D (All Actions Completed):** A checkbox that is checked.
- Update:** A blue button to submit the form.

At the bottom of the page, there is a footer with the text `@ 2016. All Rights Reserved.`

# Conclusion

---

- Bangladesh would host and maintain the Implementation of Monitoring Tool Application.
- Singapore has raised a point of having the first 3 tools to be seen as 1 that can be discussed
- Focal point of each APAC countries are required to make separate Admin (survey) page for them.
