11 March 2016

Subject: ICAO Global Aviation Dialogues (GLADs)
on market-based measures to address CO₂ emissions
from international aviation, 29 March to 30 March
2016, Bali Indonesia

Action required: To reply

Dear Sir/Madam,

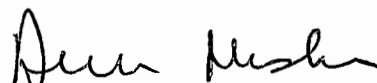

I wish to inform you that in preparation for the ICAO High Level Meeting on a Global Market Based Measure Scheme and the 39th Session of the ICAO Assembly, ICAO has scheduled the second round of Global Aviation Dialogue (GLADs) on MBM to address CO₂ emissions from international aviation at the Stones Hotel, Legian in Bali Indonesia from 29 to 30 March 2016.

The Invitation Letter (Ref: SL ENV 6/2-16/07) inviting your Government to the second round of Global Aviation Dialogue (GLADs) was disseminated on 29 January 2016 with dateline for submission of Nomination Forms as 4th March 2016. However this being an important event we are pleased to extend the time line until 18th March 2016. For more information please visit the GLADs website at <http://www.icao.int/meetings/GLADs-2016/Pages/default.aspx> for updates to the programme and for logistical information on the GLADs.

I would encourage your Administrations to participate in this important event and assist ICAO in the development of a global Market Based Scheme for international aviation.

I look forward to meeting you in Bali on 29 March 2016.

Yours sincerely,

Arun Mishra
Regional Director
