29 January 2016

**Subject:** ICAO Global Aviation Dialogues (GLADs) on market-based measures to address CO<sub>2</sub> emissions from international aviation, 20 March to 8 April 2016, various ICAO Regions

**Action required:** Complete and return the registration form by 4 March 2016

Sir/Madam,

You will recall that the 38th Session of the ICAO Assembly, through Resolution A38-18, decided to develop a global market-based measure (MBM) scheme for international aviation and, inter alia, requested the Council to organize seminars and workshops on a global scheme for international aviation.

It is in this regard that the first round of Global Aviation Dialogues (GLADs) were organized throughout April 2015, to educate and inform States on MBM issues. In preparation for the ICAO High-level Meeting on a Global MBM Scheme and the 39th Session of the ICAO Assembly, a second round of GLADs are to be held from 20 March to 8 April 2016 across the ICAO regions. I wish to invite your Government to participate in the second round of GLADs. Each regional GLAD is open to participants from all States. A provisional schedule for the GLADs is included in Attachment A.

A provisional agenda is provided at Attachment B. Participants are encouraged to bring a portable computer to the event to access information electronically. The GLADs will be conducted in English, with simultaneous interpretation, as applicable. Please complete and return the Registration Form (Attachment C) by no later than 4 March 2016.

Accept, Sir/Madam, the assurances of my highest consideration.

Fang Liu  
Secretary General
