The screenshot shows the SESAR SWIM Registry website. The header includes the SESAR logo and the text 'SWIM Registry'. Navigation links include 'My Organisation', 'My Registry', 'My Account', 'Logout', and 'Admin People'. A search bar is present. The main content area is titled 'My Registry' and features a 'Service Implementations' section with a pie chart showing categories: Surveillance, Aeronautical Information, Capacity Demand and Environment, Flight, Meteorology, and Other. To the right of the pie chart is a map of Europe with various colored overlays. Below the map is a 'Videos' section.
