Subject: EUROCONTROL RVSM aircraft approval and monitoring SQL database

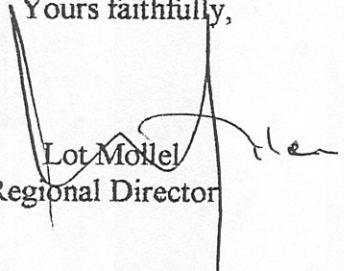

Sir,

I wish to refer to your letter dated 20 August 2004. Thank you for your continued support and willingness to provide the AFI Region with a copy of EUROCONTROL RVSM aircraft approval and monitoring SQL database.

The AFI Regional Monitoring Agency (RMA) function was delegated to South Africa, Air Traffic and Navigation Services (ATNS). The RMA will report directly to the AFI RVSM Program Office and will conduct the responsibilities as described in the AFI RMA Manual.

Your conditions for providing the database to the AFI RMA are accepted by ICAO and I will ensure that a similar commitment is obtained from ATNS. Kindly advise the process for obtaining your database and any procedures required to ensure harmonization between the EUROCONTROL and AFI databases.

Yours faithfully,

Lot Mollé
Regional Director
