**Subject: RVSM Task Force/7 Meeting (Dakar, Senegal 8 – 9 August 2005)  
ATM Sub-Group 8 Meeting (Dakar, Senegal 10 – 12 August 2005)**

**Action required: Reply by 18 July 2005**

Sir/Madam,

I have the honour to draw your attention to the Conclusion 5/5 of the RVSM Stakeholders meeting held from 17 to 19 November 2004 in Dakar and the subsequent continued efforts to meeting the new Implementation date of 19 January 2006, ICAO will be holding the RVSM/TF/7 meeting from 8 to 9 August, 2005 at the ICAO WACAF Office, Dakar, Senegal.

This meeting will be followed thereafter from 10 to 12 August 2005 by APIRG ATM Sub-Group meeting at the same venue. Your Administration is kindly invited to participate in both meetings.

The main objective of the Task Force meeting is to review all work done by the RVSM Task Force including AFI RMA Tasks and make appropriate recommendations on the way forward to safe RVSM implementation in AFI continental airspace. The Agenda is at **Appendix A**.

The main objective of the ATM Sub-Group meeting amongst many others stipulated by APIRG/14 in the Terms of Reference and Work Programme of the Sub-Group, is to review work completed by the RVSM Implementation Task Force 7 which will include the NLR's Collision Risk Assessment (CRA). It is also expected that the Sub-group will consider the RVSM Pre-Implementation Safety Case (PISC) that will subsequently be submitted to APIRG/15 in September 2005. The Sub-group will determine whether the RVSM Implementation Target date of 19 January 2006 is still feasible. It is therefore essential for all ATM Sub-Group stakeholders to participate to ensure that all inputs are considered before making a decision that will have a major impact on the AFI Region. The Agenda is at **Appendix B** and General Information at **Appendix C**.
