16 September 2009

Subject: AFI RVSM Operator/Aircraft Approvals (F2) and AFI RVSM Withdrawals (F3) Forms

Action Required: Continuous

Sir/Madam,

I have the honour to refer to the Special AFI RAN (2008) meeting held in Durban, South Africa, from 24 to 29 November 2008, in particular recommendation 6/8 which reads:

Recommendation 6/8 — Reduced vertical separation minimum (RVSM) monitoring and follow-up activities

That AFI States support:

- a) the long-term submission of State RVSM operationally approved aircraft to the AFI Regional Monitoring Agency (ARMA);
- b) provision of long-term support to the AFI height monitoring programme;
- c) long-term collection of safety assessment data;
- d) the availability of personnel to fulfil the role of RVSM National Programme Managers;
- e) the establishment of the ARMA scrutiny group in 2009; and
- f) Measures to reduce the large number of horizontal incidents in the AFI Region.

.../2...

States are requested to manage their RVSM fleets by completing and maintaining the currency of State RVSM Operator/Aircraft approvals. The AFI RVSM Approvals Form (F2) to operate in RVSM airspace and the withdrawal thereof (F3) Forms must be completed for submission to the AFI Regional Monitoring Agency (ARMA). Both these forms are the States' official notification to the ARMA for RVSM approvals to operate in RVSM airspace and the withdrawal thereof. This information is included on the AFI RVSM approvals database.

These forms must be dispatched by the most convenient method preferably by e-mail to the AFI Regional Monitoring Agency (ARMA) using the following email addresses:

Email: To - Afirma@atns.co.za and copy -- armad@atns.co.za

Those States that are already complying with this requirement should continue to do so. The electronic blank forms are obtainable from the ARMA on request by e-mail or can be downloaded from the ARMA webpage www.atns.co.za/afi-rvsm

Accept, Sir/Madam, the assurances of my highest consideration.

Geoffrey Moshabesha
Regional Director
