#### AFI AMHS Implementation Task Force Terms of Reference

##### Terms of reference:

- 1) Conduct a comprehensive review of ICAO Standards and Recommended Practices for the Aeronautical Message Handling System (AMHS) application as specified in Annex 10 Volume II[3], chapter 4.6 and Annex 10 Volume III, Part I[26], chapter 3.5.3) and ICAO Doc.9880 Part IIB[5];
- 2) Collect and analyze information on the status of AFI ANSP Aeronautical Message Handling System plan processing systems including ongoing upgrades to existing systems;
- 3) On the basis of the above, and in accordance with relevant additional ICAO provisions, develop a coordinated AFI transition strategy and plan with associated timelines to enable the streamlined coordinated implementation of AMHS.

##### **Considerations:**

In addressing these terms of reference, the Task Force should consider, *inter alia*, the following aspects:

- a) The implemented systems in the AFI Region could differ from systems in other ICAO Regions and accordingly provide recommendable Regional action with global goals;
- b) Inter and intra regional issues;
- c) Personnel training for operational migration from AFTN to AMHS;
- d) AFS network backbone capability;
- e) Contingency arrangements for States that cannot comply by the due date;
  - Way to handle staged implementations by States,
  - Expectations across ANSPs with different implementation dates, and
- f) Systems that transition early will need to be capable of handling both new and current instructions.
- g) Inter-system exchanges need to take account of differing automation capabilities in order to avoid excessive message rejection;
- h) Establishment of an Information Management system to track implementation timelines for various States/systems;
- i) Impacts to users (compliance to new flight plan format); and
- j) Appropriately timed withdrawal of existing systems specific requirements to ensure consistency with new instruction.
- k) Existing ICAO guidance material

##### **Membership (Provisional) :**

##### **Core members:**
