

ROADMAP

*Promoting synergy between **airports** and **cities** to achieve
sustainable development
2016-2017*

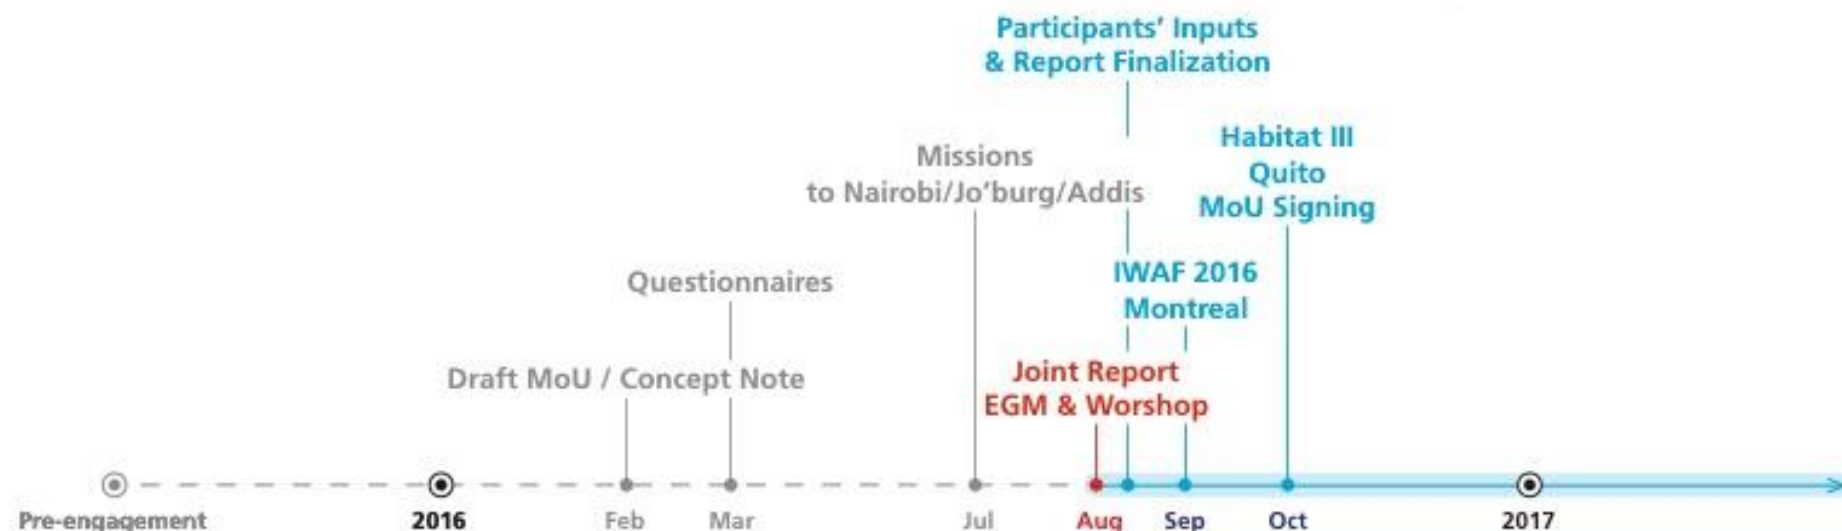

ROADMAP 2016-2017

Promoting Synergy between Airports and Cities to Achieve Sustainable Development

UN HABITAT
FOR A BETTER URBAN FUTURE

Guidelines on integrated airport and city development

Tool(s) to assess /quantify the Socio-Economic contribution of airport to city and national development (case studies) vice versa

Evidence-based Research on spatial interaction between airports and city region

Pilot projects on synergy between airports and cities in other (sub)regions

Develop an assessment tool to reduce obstacles outside the airport (settlements, building, waste, etc)

Institutional and governance model/framework for Airport and city authorities collaboration/ cooperation

Tools for joint planning between airport planners and city planners (coordination)

Multi Modal Transit Oriented models for airport and city

Integrated city wide planning as a tool to promote aviation preformation

Joint Capacity development of airport and city Planners

Draft a fact sheet on the project and explain objectives for understanding and promotion to other stakeholders in simple non technical language

Engage with airlines and other stakeholder association to obtain agreements of cooperation and contribution on this project.

Tentative Roadmap to Montreal & QUITO

WHAT	WHEN	WHO (with ICAO & UN-Habitat)	Comments (how, funding)
1) Receive inputs and comments from participants	Tuesday, 6 th Sep 2016	All participants	
2) Disseminate EGM report with participants	Wed, 9 th Sep 2016	ICAO/UNHabitat	Feedback from participants
2) Finalise the report of the pilot project	Friday, 16 th Sep 2016	ICAO/UN-Habitat	
4) Initiale the MOU in Montreal	Monday, 26 th Sep 2016	ICAO/UN-Habitat	All participants welcome to attend
5) Side event and Exhibition in Montreal and Quito	Tuesday, 27 th Sep 2016 (Montreal) Thursday, 17 th Oct 2016 (Quito)	ICAO/UN-Habitat	All participants welcome to attend Create a mailing list for dissemination and communication with interested stakeholders
6) Sign the MOU	Monday, 17 th Oct 2016 (Quito)	ICAO/UN-Habitat	All participants welcome to attend

Tentative Roadmap/phase 2: Beyond QUITO

WHAT	WHEN	WHO (with ICAO & UN-Habitat)	Comments (how, funding)
1) <u>Policies and Guidelines</u> on integrated airport and city development	2017?	ICAO (HQ) UNHabitat	Add (5)
2) <u>Tool(s)/mechanism</u> to assess /quantify the Socio-Economic contribution of airport to city and national development (case studies) vice versa	As soon as funding is available 2017?	UoN SA? (to consult) KBS (Kenya Bureau of Statistics)	Consultancy?
3) Undertake <u>Evidence-based Research</u> on spatial interaction between airports and city region (global)	Subject to funding	UoN	
4) <u>Pilot projects on synergy between airports and cities in other (sub)regions</u>		Aviation & Metropolitan Stakeholders	As recommendation to UNHABITAT and ICAO
5) Use existing tools/regulations to identify and assess with the view to eliminate and/or mitigate obstacles/risks and hazards outside the airports (settlements, building, waste, landfills, smoke, etc) and on city	As recommendation	Aviation & Local Authorities	As part of the policies and Guidelines Develop MoU Enforcement mechanism

Tentative Roadmap/phase 2: Beyond QUITO

WHAT	WHEN	WHO (with ICAO & UN-Habitat)	Comments (how, funding)
<p>1) <u>Develop framework for dialogue between airport planners and city planners (coordination)</u> Encourage Integrated city wide planning as a <u>tool</u> to promote aviation preformation</p>	recommen dation	National Govs, Aviation & Local Authorities	Merging/linking airport master plan with city mater plan
<p>2) Develop and promote <u>integrated Multi Modal Transports between</u> airport (airports and airports) and city</p>	recommen dation		Improving airport & city mobility
<p>3) Encourage Integrated city wide planning as a <u>tool</u> to promote aviation preformation</p>		Relevant Ministries & Local Authorities	Merge with (1) above Develop and Update (integrated) master plans –city/airport- (as recommendation in the main report)
<p>4) Develop joint <u>Capacity Development programme</u> for airport and city Planners</p>	By Dec 2016 Subject to funding	UoN ICAO / UN Habitat Ethiopian Aviation Academy Academic Institutions East Africa School of	Integrate airport planning into urban planning classes Draft curriculum for Nairobi (pilot) Continuous (adult) learning / periodical and tailored training

Tentative Roadmap/phase 2: Beyond QUITO

WHAT	WHEN	WHO (with ICAO & UN-Habitat)	Comments (how, funding)
1) Develop an engagement programme between airports and city authorities	Subject to funding / sponsorship (KAA)	KAA; KCAA SA (metro + ACSA)? Ethiopia	Organise a ½, 1 or two days workshop on the synergy bringing stakeholders
2) Monitoring and Performance measurement of AUDI	2017 (last ¼)	ICAO/UN-HABITAT	Review the roadmap End of project evaluation
3) ccc			
4) ddd			
5) eee			
6) fff
