**Subject: 6<sup>th</sup> Meeting of the AFI SSR Code Management Plan Review Project Focal Points (ASCAAR FP/6), 30 November 2021**

**Action required: Confirm participation by 26 November 2021.**

Dear Sir / Madam,

In reference to our State Letter on the commencement of the Trial period of the ASCAAR project, Ref: ES AN 4/27 – 0346, I wish to inform your Administration of the end of the monitoring of the pre-implementation period for the AFI SSR Code Management Plan (AFI SSR CMP) which commenced on 7 October 2021.

I wish also to underscore that the ASCAAR project State Focal Points (FPs) meeting to assess the progress of the trial held on 13 October 2021, noted some challenges with a few States that were to be addressed during the 60 days trial period.

To ensure consistent and safe implementation of the CMP on 2 December 2021, the 6<sup>th</sup> AFI ASCAAR Focal Points meeting (ASCAAR FP/6) has been arranged to take place **virtually on 30 November 2021 from 1100UTC** to provide progress on the elimination of the challenges and confirmation of safe transition to the new SSR Code Management Plan (CMP).

I take this opportunity to request your State SSR CMP nominated Focal Point(s) to confirm attendance as soon as possible, by registering in advance for the meeting via the link below preferably not later than **26 November 2021**:
