

## FREDRIK KÄMPFE, EASA

*Manager, Agreements and External Representation Section,  
International Cooperation Department, Strategy and Safety  
Management Directorate*

Fredrik, a Swedish national, worked for several years with the Swedish CAA, first as rulemaking officer, then legal adviser and finally manager for the Legal Office.

He joined EASA in September 2004 as the Agency's Deputy Chief Legal Adviser and took up his present position as Manager for the Agreements and External Representation Section in the International Cooperation Department in May 2016.

In addition to his LLM from Uppsala University where he graduated with his final thesis *EC Air Transport Regulation and the Chicago Convention: a study of possible violations*, Fredrik has a second master's degree in International Air and Space Law from the International Institute of Air and Space Law at the University of Leiden; his Leiden thesis looked closely at the procedural and legal feasibility to introduce a truly *Global Airworthiness Code and Worldwide Type Certification Process*.

Fredrik has a technical background with an upper secondary school degree in mechanical engineering and Military service as a Battalion Engineer with the Swedish Armed Forces.

Fredrik is a private pilot with + 400 flight hours as PIC and has worked several years at Stockholm Arlanda Airport for a ground handling company.
