Procedure for acquiring access to ICAO's web-based system

You must enter a question in the Hint field, for which only you can provide the correct answer, and the proper answer in the Answer field.
This answer should be easy to remember and type since it is case-sensitive.

If you forgot the password later on, you can always select the *Forgot Password* option in the login page, where you will see the Hint.
Upon entering the proper answer, an e-mail will be automatically sent to your address, with a new password.
