**1. INTRODUCTION**

1.1 The MSG/5 meeting, through MSG Conclusion 5/10, urged States to take into consideration the “MID Region AIM implementation Roadmap” in planning for the transition from AIS to AIM in a prioritized manner; and provide the ICAO MID Regional Office with their updated National AIM Implementation Roadmap on an annual basis (by end of December).

**2. DISCUSSION**

***MID Region AIM implementation Roadmap***

2.1 The meeting may wish to recall the MID Region AIM implementation Roadmap was initiated by the AIM SG/1 meeting (Cairo, Egypt, 6-8 May 2014), with a focus on the Phase 2 of transition from AIS to AIM, in order to support regional harmonization in AIM implementation.

2.2 The meeting may wish to recall that the MIDANPIRG/16 meeting, through the review of MID Region Air Navigation Strategy, agreed to update certain timelines/targets of the Priority 1 ASBU Block 0 Modules included in the MID AN Strategy, for harmonization purpose. Accordingly, some timelines of the B0-DATM elements and the MID Region AIM implementation Roadmap were updated, as at **Appendix A**.

***National AIM implementation Roadmaps***

2.3 The meeting may wish to recall that the National AIM implementation Roadmap template was developed by AIM SG/1 to support States in their national AIM planning. The template was used by States to develop and provided further update of their National AIM implementation Roadmaps.

2.4 It is to be noted with appreciation that twelve (12) States (Bahrain, Egypt, Iran, Iraq, Jordan, Kuwait, Lebanon, Oman, Qatar, Saudi Arabia, Sudan and UAE) have provided their National AIM Implementation Roadmaps. The MSG/5 meeting recognized that the “National AIM Implementation Template” was a useful tool to support States in the development of their National AIM Implementation Roadmaps; and agreed, through MSG Conclusion 5/10, that States should provide their updated National Implementation Roadmap on an annual basis (by end of December) using the Roadmap Template at **Appendix B**.

2.5 As a follow-up action to the MSG Conclusion 5/10, the ICAO MID Office issued SL Ref.: AN 8/4 - 16/261 dated 22 Sep 2016. Updated Versions (2016-2017) of the National AIM implementation Roadmaps have been received from Bahrain, Egypt, Iran, Kuwait, Lebanon, Oman, Qatar, Saudi Arabia, Sudan and UAE:
