**Subject: ICAO AFI/MID Cybersecurity Webinar
(9 December 2021)**

Action required: To complete the online registration

Sir / Madam,

I have the honour to invite your Administration/Organization to participate in the AFI/MID Cybersecurity Webinar to be held on **9 December 2021**. The Webinar is organised jointly by the ICAO, Eastern and Southern African Office (ESAF), Western and Central African Office (WACAF) and Middle East Office (MID), with the support of the ICAO Air Transport Bureau (ATB). This event will provide an opportunity for various stakeholders to share their programs and experiences on cybersecurity and resilience. The main purpose of the Webinar therefore, is to discuss the Global Developments in Cybersecurity, and share States' and industry perspectives in addressing Cybersecurity in Civil Aviation.

You may recall that the ICAO Assembly adopted Resolution A40-10 addressing Cybersecurity in civil aviation through a horizontal, cross-cutting and functional approach, reaffirming the importance and urgency of protecting civil aviation's critical infrastructure systems and data against Cyber threats. The Assembly underlined the importance of developing a sustainable implementation plan to support the Cybersecurity strategy, as well as continue the work for the development of a strong cyber security framework.

The event will be conducted in Arabic, English, French and Portuguese languages, with simultaneous interpretation. The nominated delegate(s) should register through the following link: <https://icao.zoom.us/meeting/register/tJEqcOCgrT4sE9NAnBIujoJ8fHGGrEpZQDCk8>

Accept, Sir/Madam, the assurances of my highest consideration.

Mohamed Smaoui
Acting Regional Director
Middle East Office
