

Short BIO

Eng. Ridha DRIDI

Over 27 Years of Experience in ANS

Rapporteur of MID RADALT AG

- Working with ICAO/TCB under the Technical Cooperation Program (TCP) signed with General Authority of Civil Aviation - GACA – Saudi Arabia since 2017 as ANS technical and safety Advisor and between 2009 and 2017 under the same framework with Saudi Arabia ANSP (GACA-ANS).
- From 2004 until 2007, I served as advisor to Tunisia representative in the ICAO Council for Technical and operational matters and I attended several ICAO regional and global events (ICAO Assembly, ICAO regional meetings, APIRG, EANPG, MIDANPIRG,..etc.) and ACAC (ACAO) Air navigation Committee meetings. I served as Manager of Air Navigation and Aerodromes Safety department – CAA (DGAC) – Tunisia and I got my Civil aviation Engineer Degree from ENAC (Ecole Nationale de l'Aviation Civile - ENAC (Toulouse - FRANCE)).

2017- Until Now	<ul style="list-style-type: none">• ICAO OPAS Officer (ANS Technical and Safety Advisor – CAA) – Technical Cooperation Program (TCP) btw GACA (Saudi Arabia) and ICAO/TCB.
2009-2017	<ul style="list-style-type: none">• ICAO OPAS Officer – Technical Cooperation Program (TCP) btw (GACA-ANS (ANSP)- Saudi Arabia) and ICAO/TCB
2007-2009	<ul style="list-style-type: none">• ANS Technical and Safety Advisor - ANSP (GACA-ANS) Saudi Arabia
2004-2007	<ul style="list-style-type: none">• Advisor to Tunisia representative in the ICAO Council for Technical and operational matters• Member of CAEP (ICAO Civil Aviation Environment Protection Committee)
2000-2007	<ul style="list-style-type: none">• Representative of Tunisia in EANPG (ICAO European Air Navigation Planning Group) and ACAC (ACAO) Air Navigation Committee
2000-2007	<ul style="list-style-type: none">• Manager of Air Navigation and Aerodromes Safety department – CAA – Tunisia
